

BENCHMARK
HORSE FEEDS FOR THE FUTURE

Benchmark Super Fibre Mash®

A quick soaking, tasty base that will complement any balanced ration with multiple benefits for your horse.

- Adds conditioning power to the ration without adding starch or sugar.
- Reduces the starch level in the total ration when grain based feeds are fed.
- Provides valuable pre and probiotics to the ration.
- Safe to feed to horses and ponies suffering from or prone to laminitis or EMS.

Please note that Benchmark Super Fibre Mash® is not a complete feed and requires the addition of a balanced ration for best results. While we add a simple mineral premix to balance the raw ingredients, the vitamins in the product's nutrient analysis are naturally occurring. Please refer to our Meal Plans for suitable feed partners.

Ingredients

Lupin hulls, Soy hulls*, cold pressed canola oil, salt, Benchmark's mineral premix, Melofeed® (SOD), Alkoseal 3000® selenium yeast, Agrimos® prebiotic & Yea-Sacc® probiotics. *The NZ Super Fibre Mash® formulation does not include soy hulls.

Alkosel 3000®	mg/kg	10
Melofeed® (SOD)	mg/kg	1

HOW TO PREPARE SUPER FIBRE MASH FOR YOUR HORSE.

BY VOLUME:

To 1-part Super Fibre Mash add 2-3 parts cold or warm water. Soak for 1-5 minutes before feeding.

OR BY WEIGHT:

To every 500gs of Super Fibre Mash add 1-1.5 litres of cold or warm water. Soak as above.

Super Fibre Mash should be introduced gradually over 7-14 days to allow your horse's gut enzymes to adjust to the new feed.

Dry Feeding Rates & Directions (kg/day)

SUPER FIBRE MASH®	Bodyweight (kg)		
	400	500	600
Idle/Spelling horses	0.5 - 0.8	0.8 - 1.2	1.2 - 1.4
Light Exercise	0.8 - 1.1	1.1 - 1.4	1.4 - 1.8
Moderate Exercise	1.0 - 1.5	1.5 - 2.0	2.0 - 2.5
Heavy Exercise	1.5 - 2.0	2.0 - 2.5	2.5 - 3.0

Light Exercise - up to 60 minutes walking or 30 minutes walking, trotting and cantering.

Moderate Exercise - up to 120 minutes walking and trotting, or 30 to 60 minutes trotting, cantering and some galloping.

Heavy Exercise - 30 to 60 minutes intense riding, skill work, short duration galloping, racing and endurance.
