	Rear	mm	346
TYRES & WHEELS			
Tyre size			255/40R21
Wheel size			21 x 9.0J
Spare wheel			Tyre Repair Kit

*Mazda fuel consumption and emission figures are based on results under the WLTP test programme. This data is useful in comparing the consumption of different vehicles, however it may not be the consumption achieved in practice. This will depend on factors such as road conditions, traffic, accessories and how the vehicle is driven.

^Charging times are influenced by factors such as ambient temperature, charger status and battery temperature, and are listed for indicative information only.

The details and specifications described are subject to change without notice. Please consult your local Mazda dealer for exact information.
