An enhanced automotive experience driven by technology

At Chery we're on a mission to demonstrate the possibilities of tomorrow through the innovation of today. A thriving and highly-respected global technology innovation company, one that has sold over 11 million cars across more than 80 countries and regions.

Our vehicles are unified through the Chery Intelligent Design System, a sophisticated technology platform that enhances the Chery driving experience, from performance and efficiency to safety and connectivity. With over 14,000 patents, Chery is a global leader in engineering and innovation across multiple sectors, the benefits of which are felt in the design, technology and safety standards of our vehicles.

Chery is an invitation to see the world in a whole new way. To join a community of people who are bringing tomorrow into today. An elevated way of living, with an experience that's centered around people.

Welcome to the Chery experience and all its possibilities.

Intelligent
design

Artistry meets functionality

A silhouette that stands out

The Omoda 5 expresses Chery's bold and beautiful new design language 'Art in Motion', with a distinct shape designed for performance. It glides effortlessly over urban terrains, delivering a responsive and agile ride whether you're navigating tight corners or cruising on the highway.

Optional red accents shown
(available on EX, GT & GT AWD)

Even wheels should have personality

The dynamic and assertive 18-inch alloy wheels are finished in gloss black, adding a sleek and sophisticated touch to your driving experience.

Elegance, striking illumination

Turn heads with the T-shaped daytime running lights, high-quality LED headlights and staggered matrix tail lights offering utility and style.

A distinctive face that can't be missed

The avant-garde face of the Omoda 5 combines a gradient grid and diamond pattern to create a 3D effect, embodying the technology and future-oriented principles of its design.

The art of space

Some differences are small. Others are substantial. But all will make an impression. Immerse yourself in a space that combines sophisticated elegance, technology and safety.

The Omoda 5 interior is meticulously crafted with a focus on comfort, blending modern innovation with user-friendly interfaces. Every detail, from the high-quality materials to the thoughtfully designed seating and ergonomics, creates an atmosphere of indulgence and relaxation. When you step inside the Omoda 5, you'll be greeted by a space that invites you to enjoy the journey knowing that your safety is a priority.
