15	Specifications and features

A vehicle to go beyond expectations

Designed for those with full and active lifestyles to live their lives even larger, the Tiggo 7 Pro makes travelling a pleasure. A car that reimagines style and functionality, adding a sense of opulence in everyday family life. Premium features cater to the needs of drivers and passengers, on any adventure.

More than 3 million Tiggo vehicles have been sold in over 80 countries, and Tiggo 7 Pro is our most favoured and advanced Tiggo yet, turning even the most routine trips into moments of delight. A comfortable cabin feels both spacious and intimate, while the robust silhouette enables you to hit the road with complete confidence. The Tiggo 7 Pro is suited to those that only settle for the best. Combining rugged practicality with unexpected sophistication. A car where no detail has been overlooked, with innovative technological features expertly integrated, it enriches the way you travel, without compromise.

Grow into your family's aspirations, ahead of schedule.

An enhanced automotive experience driven by technology

At Chery we're on a mission to demonstrate the possibilities of tomorrow through the innovation of today. A thriving and highly-respected global technology innovation company, one that has sold more than 13 million cars across more than 80 countries.

Our vehicles are unified through the Chery Intelligent Design System, a sophisticated technology platform that enhances the Chery driving experience, from performance and efficiency to safety and connectivity. With more than 17,000 patents, Chery is a global leader in engineering and innovation across sectors such as aviation and shipping. The design, technology and safety standards of our vehicles benefit from this patented knowledge.

Chery is an invitation to see the world in a whole new way. Join a community of people who are bringing tomorrow into today. This is an elevated way of living, with an experience that's centred around people.

Welcome to the Chery experience and all its possibilities.

Intuitive technology

Seamlessly integrated technology elevates your family's lifestyle

In the Tiggo 7 Pro, luxury is just the start. The premium look and feel is matched and elevated by a range of intuitive and dynamic technology throughout. Your car becomes more than a vehicle, but an extension of your lifestyle. With features like keyless entry, Apple CarPlay™¹ and Android™² Auto, the Tiggo 7 Pro seamlessly connects your journeys from home to your destination and back. This is a vehicle that can do it all, without compromise. Even the smallest details are set to astound, ensuring that every drive is a remarkable adventure for you and your passengers.

Stay informed, entertained and in control

The dual integrated multimedia touchscreen and 12-inch LCD HD instrument display puts infotainment at your fingertips with its intuitive interface. Navigate easily through a wealth of features, options and information, all presented with stunning clarity on the crisp display and digital dash.

"Hello Chery..."

Make calls, change music or open windows without lifting a finger. Just ask. Assign your own voice control prompt to experience a new level of convenience and focus on the road while controlling your environment.
