**5** YEAR  
UNLIMITED  
KILOMETRE  
WARRANTY

As a Ford owner you will receive a Five Year / Unlimited Kilometre Ford Express New Vehicle Warranty with your purchase\*. For details about this warranty please visit: [www.ford.com.au/owners/warranties](http://www.ford.com.au/owners/warranties)

Scan to watch Ranger videos.

# Live life to the fullest

The Ford Ranger is the pick-up truck always ready to work or play, with the power and capability for the toughest jobs, it also has the comfort and smart safety features you want for your family.

**3.5** TONNE  
TOWING

With up to 3,500kg<sup>2,3</sup> braked towing capacity and 6,000kg gross combined mass in conjunction with Trailer Sway Control<sup>4</sup>, you'll be able to handle big loads with Ford Ranger.

### Power Roller Shutter

Standard on Wildtrak, the power-operated roller shutter offers improved security and protection from the elements, easily operated from the key fob, dash or inside the tray.

### Hill Descent Control<sup>5</sup>

Automatically applies braking, as needed, to slow the vehicle to a set speed in off-road downhill conditions.

### XLT Double Cab Chassis

The Ranger XLT Double Cab Chassis lets you fit your own unique tray or body, customised to your exact needs.

\*Vehicle shown with optional Black 18" Alloy Wheels, Triple M Alloy Tray and Triple M HDP 25L Water Tank accessory.

**800MM**  
WATER  
WADING

Ranger can take you just about anywhere you need to go, with a river-taming 800mm water wading capability<sup>6</sup>. Ranger makes sure there's very little that can come between you and getting the job done.

### Tailgate with Lift Assistance

Load your Ranger with greater ease, thanks to a cleverly-designed torsion rod that means the tailgate takes 70% less effort to close.

# Technology designed to keep you safe & secure

## Ford Connectivity

Every Ranger now comes fitted with an embedded modem known as FordPass Connect. Using the FordPass App on your smartphone<sup>7</sup> you can locate your vehicle, lock and unlock the doors, and even start the engine remotely<sup>8</sup>.

When your truck doubles as your office, smart design makes all the difference. The Ranger comes with heaps of tech to make your life easier and safer.

### A. Autonomous Emergency Braking (AEB) with Pedestrian Detection<sup>4</sup>.

In speeds over 3.6km/h, Autonomous Emergency Braking (AEB) with Pedestrian Detection is designed to help detect if the car in front has unexpectedly stopped or a pedestrian steps out onto the road, and can automatically apply the brakes.

### B. Active Park Assist<sup>4</sup>.

Available as standard on Wildtrak, Active Park Assist helps you find the right size parallel parking space and automatically steers itself in for a perfect park. Ford Ranger is the first in the Pick-up segment to offer Active Park Assist.

### C. Traffic Sign Recognition<sup>4</sup>.

The forward-facing camera can automatically detect the current speed limit (when activated), then displays this on the instrument cluster. It can even provide a visual warning if you exceed the detected speed limit.

### Adaptive Cruise Control<sup>4</sup>.

If traffic slows in front of you, Adaptive Cruise Control (available as standard on XLT and Wildtrak) can automatically slow to maintain a pre-set distance. Once traffic clears, it returns to your cruising speed.

### Lane Keeping Aid with Lane Departure Warning<sup>4</sup>.

By monitoring road markings, Ranger can detect if you appear to unintentionally drift out of your lane, and vibrate the steering wheel to warn you. If it continues, it can apply steering torque to help direct you back into your lane.

# Tough done smart

The Ranger is one tough truck, but it certainly doesn't feel like it. Inside the cabin, you'll find a world of high-end features and premium fittings.

## SYNC<sup>®</sup>3<sup>9</sup> with 8" Touchscreen

SYNC<sup>®</sup>3 is a fully integrated voice-activation<sup>10</sup> system that lets you connect your compatible smartphone, play your favourite music, and stay on track with the integrated Sat Nav system<sup>10</sup>.

### D. Leather Accented Seats

There's nothing quite like the smell and feel of premium leather accented seats, which come standard in Wildtrak and are optional on XLT Double Cab models.

### E. Apple CarPlay™ & Android Auto™ 11.

Connect your compatible smartphone for hands-free control of your favourite apps. Use voice commands to look up destinations, make phone calls or listen to messages.

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Excluding 4x2 XL Single Cab Chassis 2.2 Low Rider, which has a GCM of 5425kg, GVM of 2925kg, and Maximum Braked Towing Capacity of 2500kg and excluding 4x4 XL entities with optional 2.0 Bi-Turbo engine. Optional on 4x2 XL Hi-Rider models. 3. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance. 4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 5. Available on 4x4 models only. 6. 800mm Water Wading on 4x2 Hi-Rider and 4x4 Ranger models. Achieved when maintaining a steady speed of 7 km/h. 7. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on [ford.com.au/fordpass](http://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modern and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or partially FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 8. Remote Vehicle Start and Stop on Automatic variants only. Use responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Vehicle Locator only available when Vehicle Location setting is on. 9. SYNC®3 features are not compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync). 10. SYNC®3 Voice Activation and Satellite Navigation available as standard on XLT & Wildtrak. Optional on XLS as part of XLS Premium Pack. 11. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 12. Optional on 4x4 XL Super Cab Chassis, Double Cab Chassis and Double Cab Pick Up. 13. Available on Pick-up models only. 14. Available on Double Cab models only. 15. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 16. Traffic Message Channel is currently provided through an arrangement with Intelmatics Australia Pty Ltd (Intelmatics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intelmatics cease for any reason. 17. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

GENERAL TIRE

1. Available at participating Dealers. See [www.ford.com.au/owners/service/](http://www.ford.com.au/owners/service/) for full terms and conditions. \* Achieved when maintaining a steady speed of 7km/h. \* Voice activated controls standard on XLT and Wildtrak. \*\* Standard on XLT and Wildtrak. 2. Available at participating Ford Dealers on 2021.75MY Ranger onwards vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for a maximum of four A or B scheduled services up to 4 years/60,000kms (whichever occurs first) excluding any Additional Service Items, as per the Customer Assistance Warranty and Service Guide, commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service items (and Additional Scheduled Maintenance Items) are set out in the Customer Assistance and Warranty Guide with the vehicle. See [www.ford.com.au/owners/service/t-and-c](http://www.ford.com.au/owners/service/t-and-c) for full terms and conditions. 3. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees.

This brochure details specifications and features of the 2021.25MY Ranger onwards Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2021.25MY Ranger onwards Range. Please visit our website [www.ford.com.au](http://www.ford.com.au) for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. 800mm Water Wading on 4x2 Hi-Rider and 4x4 Ranger models. Achieved when maintaining a steady speed of 7 km/h. 3. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. On variants where both a 6-speed manual and 6-speed auto are available, the 6-speed auto typically is 17-18kg heavier than manual, which then reduces the payload by 17-18kg. 4. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 5. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance.

8. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 9. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 10. Traffic Message Channel is currently provided through an arrangement with Intelomatics Australia Pty Ltd (Intelomatics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intelomatics cease for any reason. 11. SYNC®<sup>3</sup> features may not be compatible with all phones. For compatibility, see ford.com.au/sync. Sync®<sup>3</sup> System on XL & XLS models do not have embedded voice control or satellite navigation. 12. SYNC®<sup>3</sup> features may not be compatible with all phones. For compatibility, see ford.com.au/sync. 13. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 14. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 15. Regular Production Options are optional and available at an additional cost.

3. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. On variants where both a 6-speed manual and 6-speed auto are available, the 6-speed auto typically is 17-18kg heavier than manual, which then reduces the payload by 17-18kg. 4. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 5. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance. 6. Rear mud flaps on pick-up models only.

7. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on [ford.com.au/fordpass](http://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 8. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc., registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 9. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 10. SYNC®3 features may not be compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync). Sync® 3 System on XL & XLS models do not have embedded voice control or satellite navigation. 11. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 12. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 13. Regular Production Options are optional and available at an additional cost.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack A = Accessory fitted at Ford Dealer

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. On variants where both a 6-speed manual and 6-speed auto are available, the 6-speed auto typically is 17-18kg heavier than manual, which then reduces the payload by 17-18kg. 3. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 4. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance.

Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. <sup>8</sup> Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. <sup>9</sup> Traffic Message Channel is currently provided through an arrangement with Inteleomatics Australia Pty Ltd (Inteleomatics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Inteleomatics cease for any reason. <sup>10</sup> SYNC®3 features may not be compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync). Sync® 3 System on XL & XLS models do not have embedded voice control or satellite navigation. <sup>11</sup> SYNC®3 features may not be compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync).

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack A = Accessory fitted at Ford Dealer

<sup>12</sup> Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. <sup>13</sup> Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. <sup>14</sup> Regular production options are optional and available at additional cost.
