2023.75MY Transit Custom

	Trend Short Wheelbase Van	Trend Long Wheelbase Van
Engine		
2.0L EcoBlue Engine	S	S
Auto Stop/Start ¹	S	S
Power - Maximum (DIN)	125kW @ 3,500rpm	125kW @ 3,500rpm
Torque - Maximum (DIN)	390Nm @ 1,750 - 2,500rpm	390Nm @ 1,750 - 2,500rpm
Drivetrain	FWD	FWD
Cylinders	4	4

Transmission		
8-Speed Automatic	S	S
Fuel Economy & Emissions		
Fuel	Diesel	Diesel
Combined Fuel Economy (L/100km) ²	8.0	8.0
CO ₂ Emissions (g/100km) ²	209	209
Fuel Tank Capacity (L)	70	70
Selective Catalytic Reduction - Using AdBlue® ³	S	S
AdBlue® tank size (L)	20	20
Emissions Level	6.2	6.2

Vehicle Masses (kg)		
Axle Plated Mass (Front / Rear)	1600 / 1900	1700 / 1850
Gross Combined Mass	5725	5725
Gross Vehicle Mass	3225	3225
Maximum Kerb Weight ⁴	1956	2002
Maximum Payload ⁵	1269	1223
Maximum Braked Towing Capacity ⁶	2500	2500

Cargo Dimensions (mm)⁷		
Width - Load Space Between Wheel Arches	1392	1392
Height - Load Space Floor to Roof	1433	1433
Height - Rear Loading Height ⁸	531-585	531-585
Length - Load Space Maximum (Up to Bulkhead)	2602	3002
Length - Load Space Maximum (includes Load Through Hatch)	3050	3450
Maximum Load Volume (with Bulkhead) (cu.m) ⁹	5.8	6.8
Load Space SAE (behind Bulkhead) (cu.m)	5.7	6.5
Load Space VDA (with Bulkhead) (cu.m) ¹⁰	5.2	6
Euro Pallet Capacity (1,200mm x 800mm)	3	3

Exterior Dimensions (mm)¹¹		
Overall Length	5050	5450
Overall Width with Mirrors	2275	2275
Overall Width with Folded Back Mirrors	2148	2148
Overall Width without Mirrors and Handles (Maximum Body Width)	1999	1999
Overall Height at Kerb Weight ⁴	1963	1961
Wheelbase	3100	3500
Front of Vehicle to Front Wheel Centre	958	958
Rear of Vehicle to Rear Wheel Centre	992	992
Width - Side Door Opening	1030	1030
Height - Side Door Opening	1301	1301
Width - Rear Door Opening	1400	1400
Height - Rear Door Opening	1314	1314

Indicative pre-production vehicle specifications and images shown. Specifications and features on production model may vary. Available to order, additional wait times may apply.

	Trend Short Wheelbase Van	Trend Long Wheelbase Van
Brakes		
Electric Parking Brake	S	S
Front & Rear Disc Brakes	S	S
Suspension		
Front: Single Leaf Springs	S	S
Rear: Independent Rear Suspension	S	S
Power Assisted Steering	S	S

Wheels		
Wheels	6.5" x 16" Steel Wheels	6.5" x 16" Steel Wheels
Tyres	215/65 R16C	215/65 R16C
Spare Wheel	16" Steel	16" Steel

Steering Wheel Audio/Function Control	S	S
Wireless Apple CarPlay™ & Android Auto™ ¹⁶	S	S

S = Standard **O** = Factory Option that can be ordered before a vehicle is manufactured at an additional cost

Disclaimer:

1. Auto Stop/Start will not occur in all situations. **2.** Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption and emissions figure will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. **3.** Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. AdBlue® diesel exhaust fluid is required. AdBlue® is a registered trademark of VDA Verband der Automobilindustrie e.V. **4.** Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. **5.** Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb weight. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. **6.** Maximum towing capacity braked using an appropriate aftermarket towbar and trailer brake controller. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorized Ford Dealer and / or refer to the Owner's Manual. **7.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. Load Area Protection Kit may impact cargo area dimensions and capacities. **8.** Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. All dimensions (shown in mm) are approximate, are subject to manufacturing tolerances, do not include additional equipment and should be confirmed before fitting any accessories or otherwise relying on this value. **9.** Maximum load volume method simply measures the volume of a fine-grained material such as sand or rice which can be deposited into the loadspace. **10.** VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted and the numerical result is converted into cubic meters. **11.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **12.** Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available or may be subject to a subscription fee. Users must have created a FordPass App account (terms apply), have fully activated the vehicle's FordPass Connect modem and have SYNC Location set to 'on' to use this feature. **13.** Use of FordPass is subject to the FordPass Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The Transit Custom 2023.75MY contains a FordPass Connect Modem which will function on the 3G, 4G and 5G telecommunications networks. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **14.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **15.** Don't drive while distracted. Use voice-operated systems when possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4 features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **16.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

Disclaimer:

17. Wireless charging only available on compatible phones. **18.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather.rules before using these functions. **19.** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Please see Owner's Manual for more information. Adaptive Cruise Control has a minimum operating speed of 30km/hr. **20.** Intelligent Speed Limiter (ISL) uses various data to limit the set speed of the vehicle to the speed limit detected by the system. The ISL system will not always detect the correct speed limit and may limit a vehicle speed above or below the actual speed limit. ISL can be temporarily overridden by the driver firmly pressing the accelerator. Customers should read the Owner's Manual for details of the limitations of the ISL system before activating. In some circumstances, ISL will use map data to limit the vehicle speed. Ford recommends keeping map data updated by fully activating the vehicle's FordPass Connect modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **21.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. Pre-collision Assist with Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner's Manual for Limitations. **22.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. **23.** Traffic Sign Recognition will not always detect the correct speed limit and may display a speed that is above or below the actual speed limit. In some circumstances Traffic Sign Recognition will use map data to display the speed limit on the digital instrument cluster. Ford recommends keeping map data updated by fully activating the vehicle's FordPass Connect modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee.
