Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. With nearly 8 million sales to date, in more than 170 countries (and counting), we are the No. 1 SUV brand in the world’s largest market and have been for the past 9 years. Our brand vision is to pioneer global mobility solutions, which use innovative technology to deliver a more pleasurable driving experience. Through innovation and global collaboration, we continue to improve our vehicles’ reliability, safety, performance, design and technology.

Haval H6. Make a bolder statement.

When it comes to the Haval H6, performance, design and safety are paramount. It's a mid-size SUV that makes a bold statement wherever you go.

Designed, just for you.

From the impressive front to the stylish back, every inch of the H6 has been meticulously considered. Whether you're ducking out to the shops, or roaming far on a road-trip, your most versatile accessory will always be with you.

Signature front grille

LED full width tail light

19" Alloy wheels*

Comfort-Tek faux leather accented seats^

Sophisticated cabin design

*Ultra variant only
^Lux & Ultra variants only

Performance when you need it.

The second generation 7-speed Dual Clutch Transmission improves throttle response timing and increases efficiency to provide crisp gear shifts with a more direct drive feel. The intelligent 4WD System can redistribute torque between front and rear axles to a ratio of up to 50/50 to ensure grip in even the most challenging conditions.

**The H6 2.0 litre
turbo petrol engine
packs a punch,
delivering performance
when and where
you need it.**

Sophistication for every journey.

8-way electric adjustable driver seat*

8 speaker audio system^

The H6 is a technologically advanced SUV designed for those who want more in life. Features such as auto parking assist, a 12.3" multimedia touchscreen and a heated faux leather steering wheel give this SUV its distinct edge.*

Electric tail gate with delayed closing & memory function#

10.25" Full colour instrument cluster with heads up display*

^Lux & Ultra variants only.
*Ultra grade only.
#Ultra 4WD & Ultra Hybrid only.

Highly intelligent mobility.

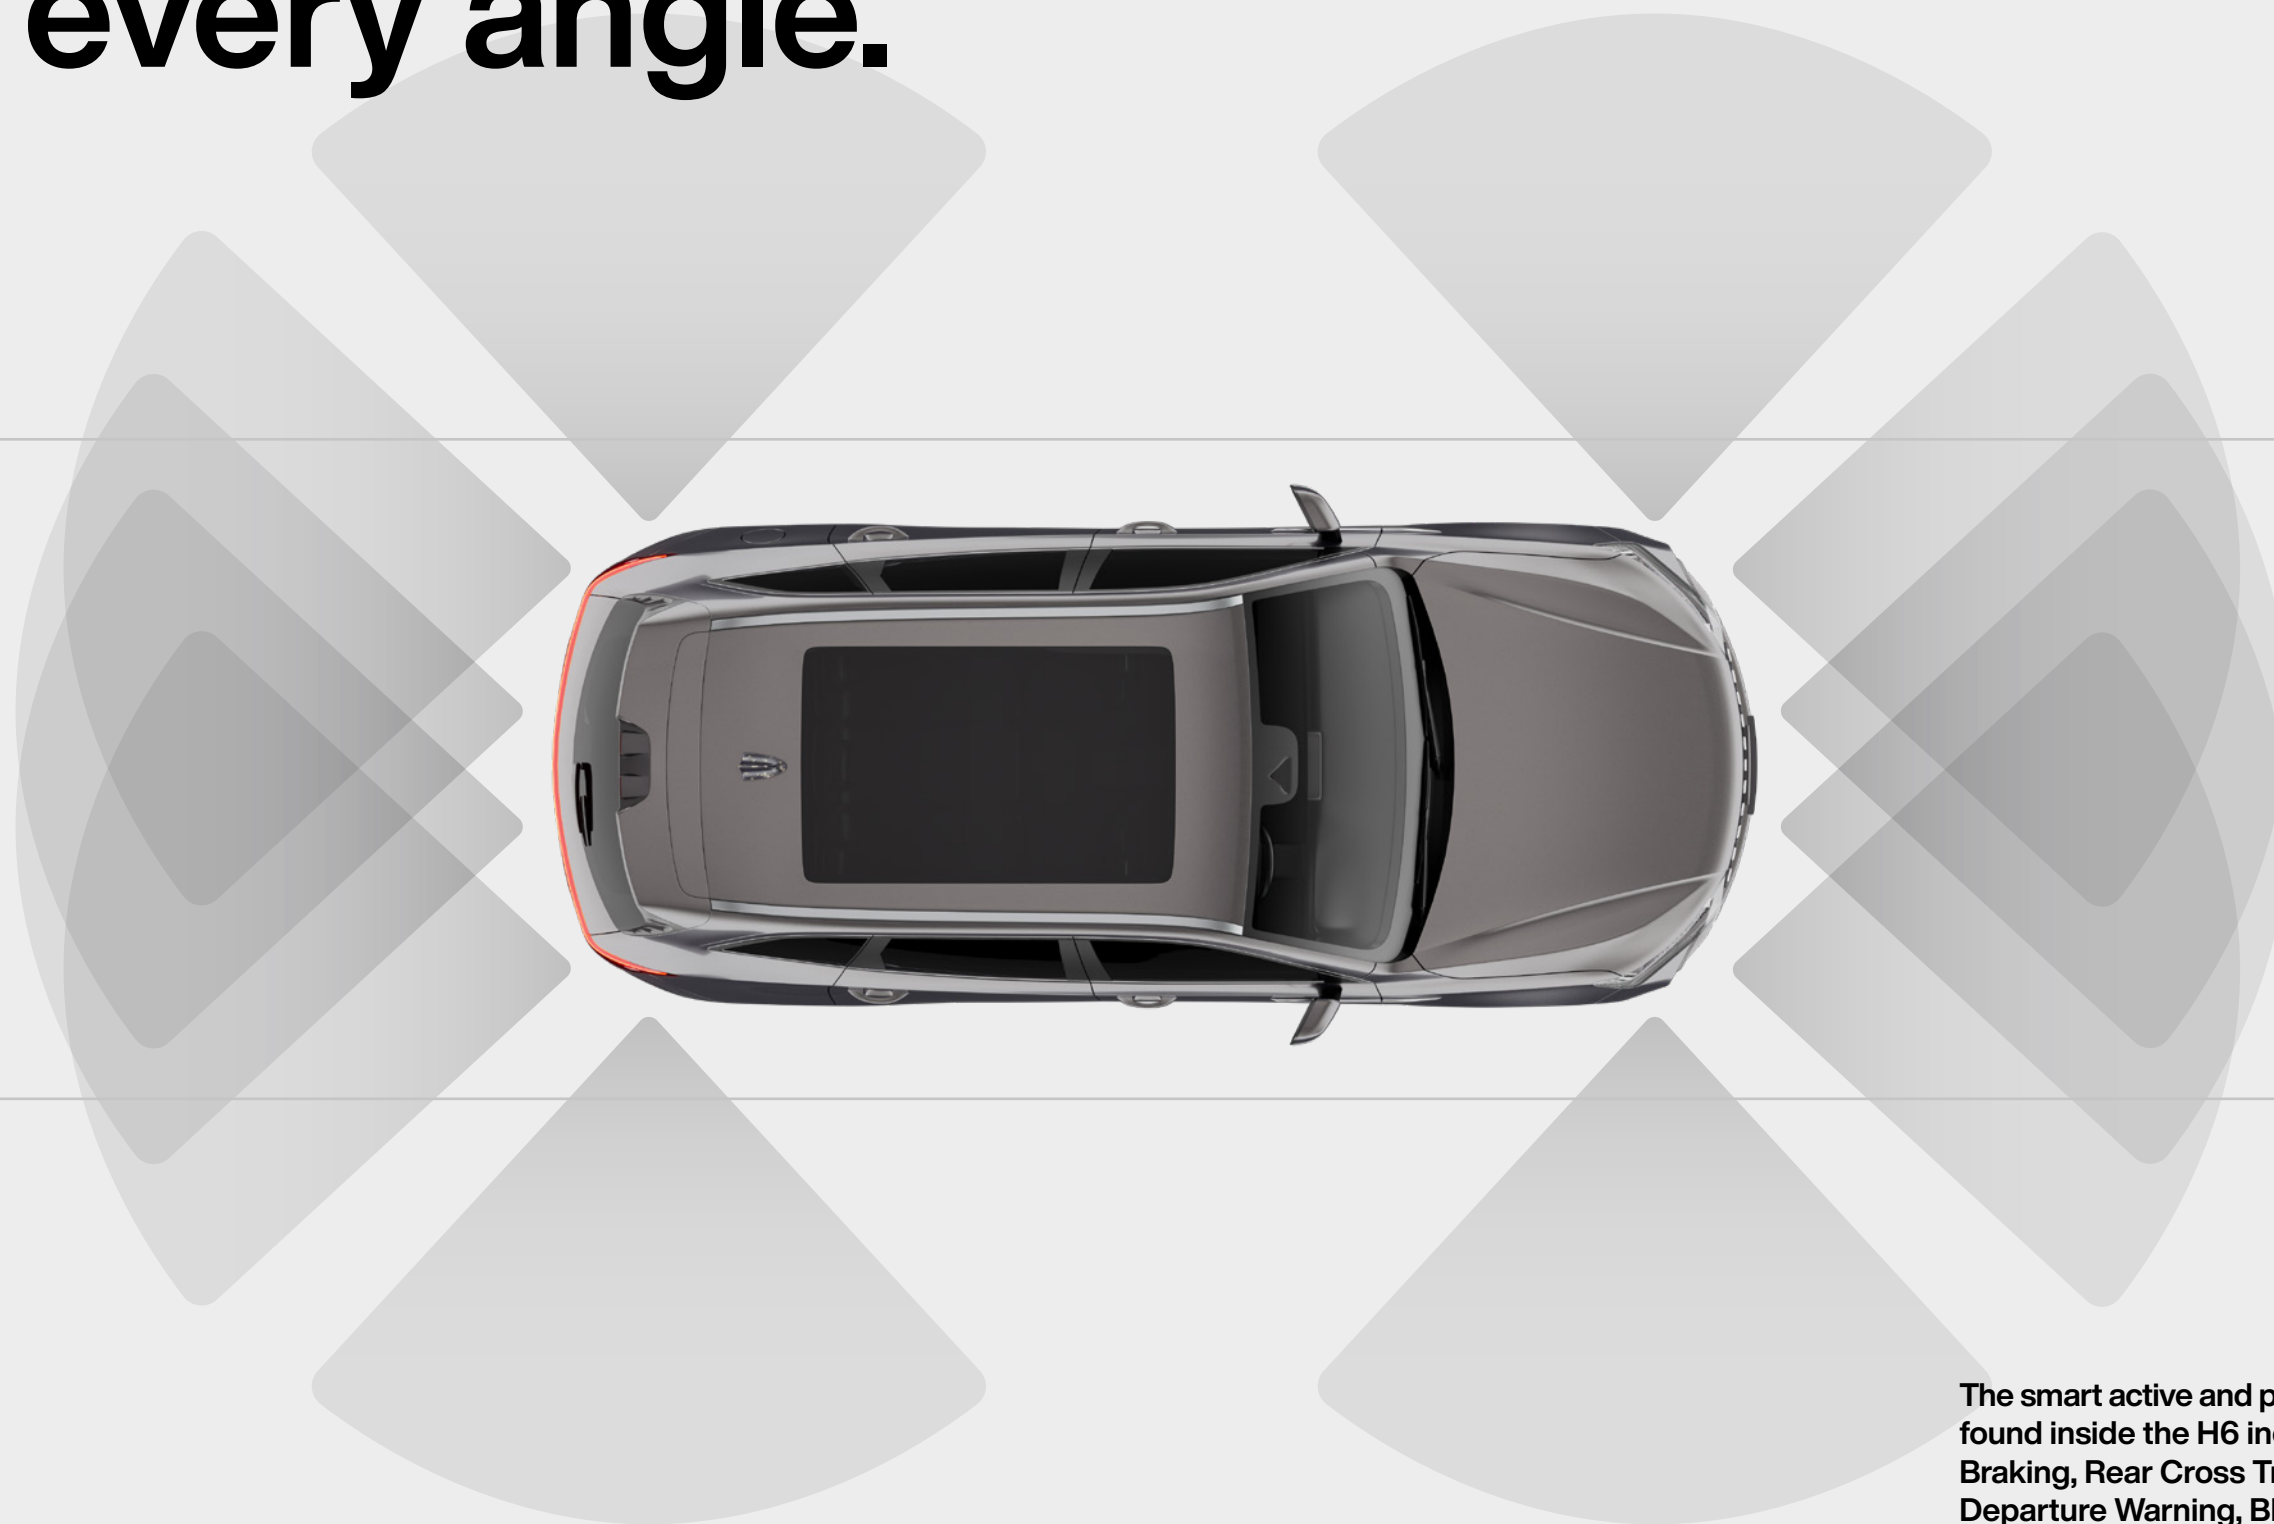

ANCAP Safety test

This bold and stylish SUV is also unbelievably safe. Having achieved the highest possible 5 star safety rating by ANCAP, the Haval H6 comes with a comprehensive suite of safety systems designed to protect you and others on the road. Advanced safety features including Intelligent Adaptive Cruise Control, Lane Keep Assist, Traffic Sign Recognition, Traffic Jam Assist, and Auto Parking Assist* all combine to give you peace of mind knowing that GWM is looking out for you and everyone else around you every time you drive.

*Ultra variant only

Protection from every angle.

The smart active and passive safety technologies found inside the H6 including Auto Emergency Braking, Rear Cross Traffic Assist*, Lane Departure Warning, Blind Spot Detection and a 360-view camera^, will let you know who or what's in front, behind and either side of you every time you take the vehicle out for a drive.

*Ultra variant only

^Lux and Ultra variant only

Driven by a new energy.

The Haval H6 Hybrid allows you to enjoy smooth and responsive performance when you need it, all while helping to save you money on the cost of fuel.

GWM's Dedicated Hybrid Technology (DHT) is at the core of the entire electrification roadmap. Each highly integrated, multi-mode petrol-electric hybrid engine comes with a powerful Lithium-Ion battery providing greater performance, increased efficiency and minimal noise. Perfect for urban driving and interstate long distance cruising, the multi-mode hybrid transmission delivers incredibly smooth, responsive take-offs and superior acceleration when you need it, all the while saving on fuel.

GWM Care

GWM Care Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
