

# i20 N

# 100% Kiwi owned

The Hyundai brand has grown rapidly into a global automotive powerhouse. But first and foremost, we are a local business. Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. This means we are a New Zealand company helping New Zealanders grow.

# i20 N Fast facts.

“ Hyundai has obviously set out to create a pure performance hatch. Consider the brief met. And then some. ”

Autocar

## From rally to road.

Inspired by the championship-winning i20 Coupe WRC rally car, the all-new i20 N has been created to bring racetrack performance into your life – and more adrenaline into your daily drive. This dynamic hot hatch has one of the best power-to-weight ratios in its class.

### Front grille with chequered flag pattern

The radiator grille design optimises air intake for the turbo engine and gives a nod to its sporty roots with the chequered flag pattern.

### 18-inch alloys with high performance Pirelli tyres

Developed exclusively for the i20 N and designed to match the grey alloys and red brake callipers with N logo branding.

### WRC-look rear spoiler

Inspired by the World Rally Championship vehicle, the roof spoiler is designed to ensure the stable roadholding of the i20 N at high speed.

**Dedicated to the  
thrill of driving.**

The all-new i20 N delivers maximum driving enjoyment thanks to its blistering engine performance and technological innovation. So, no matter if you want to take it around town or around the track, this intense combination of dynamic performance and head-turning motorsport design is dedicated to the pure, unadulterated thrill of driving. And just like the i20 Coupe WRC, this racetrack-ready hot hatch has one of the best power-to-weight ratios in its class which – when combined with its high-performance turbo engine – delivers impressive acceleration and flat power.

**More torque, with  
even more action.**

The i20 N has been meticulously engineered to get your heart pumping faster. Step on the accelerator and you'll instantly feel – and hear – those motorsport roots. Powered by a 150 kW 1.6 T-GDi turbocharged engine that delivers 275 Nm maximum torque, you'll love the instant feedback you get from its high responsiveness and impressive flat power for more torque and power at lower RPMs. This enables you to make more of the engine's potential in everyday driving situations. Put simply, that means more thrills per mile.

The engine features an exclusive turbo system with temperatures controlled by an intercooler and the water circulation of the engine. The engine uses Hyundai's new Continuously Variable Valve Duration technology to further optimise fuel efficiency.

Bespoke 18" alloy wheels with a grey matte finish and N-branded brake callipers.

## Ready for launch.

The i20 N boasts a range of high-performance driving features. The 6-speed manual transmission has been refined and reinforced to cope with higher RPM and torque. And the N gearshift is perfect for driving enthusiasts who love the responsiveness of a crisp shifter and a tight clutch. The high-performance brakes feature a front disc that is 40 mm larger than the regular i20, for increased fading resistance and a more consistent brake pedal feel. Other motorsport-inspired features include Launch Control, which optimises the engine and traction control for quick acceleration from a standing start – just like a racing car. Rev-matching synchronises the engine to the output shaft and has its own dedicated activation button on the steering wheel. This allows for smoother or sportier downshifts, depending on the drive mode selected.

## Devour every corner

The all-new i20 N is equipped with N Corner Carving Differential, a Mechanical Limited Slip Differential (m-LSD) that uses a mechanically controlled torsion gear type to efficiently transfer power to the front wheels. This provides optimum traction and enhances grip on every corner for a sportier and more agile ride.

## Time to play.

Onboard, you'll experience the electric sound generator and variable muffler control for the perfect exhaust sound. Developed to deliver everything from a very powerful rumble to a rally-car worthy roar complete with snaps and backfires.

**Pushing all the right buttons.**

The sleek and sporty interior is as much about control as it is about comfort. The ergonomics are completely driver-focused, with everything in view and in reach. The perforated leather N steering wheel puts all the driving performance features right at your fingertips. Choose your drive mode or activate rev-matching for more fun at the push of a button. You can program the dedicated N keys on the steering wheel to activate your favourite set-up in an instant. The shift timing indicator located in the digital cluster lets you know when to shift gears for optimal racetrack performance. And the red zone of the variable rev counter changes in line with the engine's oil temperature.

Exclusive Sports leather and cloth motorsport inspired seats with Performance Blue contrast stitching.

## Performance meets comfort.

The sport seats are exclusive to the all-new i20 N and keep you comfortable and in control. Integrated headrests and pronounced bolsters provide more support in dynamic driving situations. You'll also find Performance Blue inserts in the door handles and sporty N metal pedals, as well as Performance Blue accent stitching throughout.

## Flying colours.

The dynamic choice of exterior colours includes the N signature Performance Blue, exclusive to Hyundai N models. An Phantom Black Pearl roof is available for two-tone style with a selection of colours.

Performance Blue Solid with Phantom Black Pearl two-tone roof.

Intense Blue

Phantom Black

Brass

Sleek Silver Metallic

Polar White Solid

Dragon Red

# Hyundai's commitment to you

## Our promise

We understand your decision to purchase one of our vehicles is not being made lightly and we thank you for putting Hyundai on your list. We know that by the time you decide which vehicle you want to purchase, you'll have had a good look at what's on offer in the market, and carefully weighed up the pros and cons of each. We hope you make the right decision for yourself. If you do decide to choose Hyundai, that won't be the end, it'll just be the start. Our goal is to live up to the confidence you've shown in us, by giving you the best customer service experience in New Zealand.

We call this the Hyundai Ownership Experience – which is a slightly corporate way of saying “we promise to look after you”.

The Hyundai Ownership Experience will actually start before you even have the keys in your hand, as your Hyundai dealer takes you through the things you need to know to get the most out of your new vehicle.

## Personal handover

When you come in to pick up your new Hyundai, your dealer will take you through it from bumper to bumper. They'll show you where everything is and how everything works. They'll make sure you're across all those little things most people forget to ask about, like:

- » How to set up your mobile phone to work with Bluetooth
- » Where the tool kit is
- » How to connect and use your Apple CarPlay® or Android Auto®.
- » Where to find the first aid kit
- » How to register, setup and connect to Auto Link

They'll also check there's either a full tank of fuel or it's fully charged, that the vehicle is spotless inside and out, and that any accessories you specified are fitted just so.

This is also our opportunity to introduce you to the service team, who'll be looking after you in the years to come.

**“THE DEALER EXPLAINED THE TUCSON TO ME AND WAS PATIENT WHEN WE HAD QUESTIONS.”**

— GARY COCKRAM HYUNDAI CUSTOMER FROM CHRISTCHURCH

## Meet the rest of the family

There's a good reason why your dealer will introduce you to the rest of the family. They're the people entrusted to be hands-on through your Hyundai Ownership Experience – the team who'll look after you and your vehicle when you come in for scheduled servicing.

There's no charge for the first service, and it happens after the first month on the road. Then it happens every 10,000 / 15,000 km\*.

It's always good to be able to put a face to a name. And knowing them means you can call personally to discuss any concerns. Our people are experts at what they do and keen to show you how good they are. It's a pride thing and we encourage it.

## A superb warranty and Roadside Assistance

Every new Hyundai is protected by our 3 year / 100,000 km factory warranty. In a nutshell, if there's any manufacturing issues, we'll fix them. But there's more.

Hyundai Roadside Assistance is included as part of our new vehicle warranty. It means if you should have an accident, puncture a tyre or run out of fuel anywhere in New Zealand, we'll send someone to get you up and running again – 24 hours a day, 365 days a year.

Extending your warranty beyond the factory period can make your ownership experience better yet. It's certainly worth considering. Our extended warranties can later be on-sold with the vehicle, something sure to increase its eventual resale value.

## Servicing from trained Hyundai experts

Regular scheduled servicing within our network has real benefits.

Our specialist technicians use Hyundai diagnostic equipment to spot things that may be missed by the untrained eye.

We use genuine Hyundai parts, of course. These are built and tested to be specifically correct for your vehicle and are covered by a 1 year / 20,000 km warranty.

Your safety and the safety of your passengers are our number one priority. We can't vouch for the safety or performance of non-Hyundai parts. They only have to be slightly off or incorrectly installed and the integrity of your vehicle will be compromised.

If the cost of servicing is a concern for you, committing to a pre-paid service contract from day one will cost you less in the long run. You can sign up for these to cover your servicing needs for every service interval, which is every 10,000 / 15,000 km\* or yearly (whichever happens first). You can do this for as many years as you want, and they're available for any Hyundai, no matter how old.

\*Servicing for petrol turbo models is every 10,000 km or 12 months (whichever occurs first)

## Insurance

Our insurance offering is part of Hyundai's commitment to improving your ownership experience.

Hyundai Insurance offers several exclusive benefits not available with other motor vehicle policies. For example, if your Hyundai is still in factory warranty, was purchased from a Hyundai dealer in New Zealand and is damaged beyond repair, we'll replace it with a brand new one\*.

There's no excess if your glass is broken (up to \$2,000 cost), and we'll cover (up to \$1,500 cost) for the trailer you were towing if that's damaged\*.

You can be sure only guaranteed, genuine Hyundai parts will be used in repairs\*\*, and that only approved repairers will be working on your vehicle.

We also offer a Hyundai Insurance specific 24 hour assistance number: 0800 123 266.

\*See your Hyundai dealer for full terms and conditions.  
\*\*Applies to new vehicles for five years.

## Hyundai Fleet

If you're looking for the right vehicles for your business, Hyundai has the perfect fleet solution for you.

Whatever your business size or requirements, you can get the job done by choosing from Hyundai Fleet's diverse range of models and trucks, all of which offer the latest in technology, efficiency, safety and style. And as a Fleet customer, you have the flexibility of a range of ownership and leasing options, as well as tax benefits and great value servicing.

So, from the city loving Venue to the cargo carrying Staria Load, our fleet services can provide the right vehicles to help drive your business forward. For more information visit [www.hyundai.co.nz/fleet](http://www.hyundai.co.nz/fleet)

## In the company of Kiwis

The Hyundai brand has grown rapidly into a global auto industry powerhouse. But first and foremost, Hyundai New Zealand is a New Zealand company.

Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. That's something we're pretty proud of.

This structure gives you the best of both worlds. The benefits of global resources and the huge investment in Research & Development that Hyundai makes, combined with our local commitment and understanding.

We're also very aware of what it means to be a New Zealand company. Our commitment to being a good Kiwi citizen starts with our treatment of customers and extends out into their communities.

We've actively supported the National Agricultural Fieldays for over a decade. We sponsor Hyundai Country Calendar, put money into NZ sailing, and are major sponsors of the Spirit of

Adventure Trust. We're also extremely proud of our New Zealand sponsorship of Kiwi rally driver, Hayden Paddon.

Our sponsorships allow us to offer customers the chance to join us as VIP guests at many of our events, including on board the Spirit of New Zealand and at Fieldays. Look out for these invites from time to time.

The Hyundai Experience will continue to grow and expand. We really want to give you the most rewarding experience you've ever had with a company.

Hyundai Country Calendar visits Doug Avery and his mates on his North Island farm for a yarn.

## The Pinnacle Programme

The Pinnacle Programme is a unique scholarship, backed by Hyundai New Zealand, which provides talented young New Zealanders between the ages of 15 and 18 with the foundations for future success. The Programme is open to young kiwis with talent in all areas of endeavours, including, but not limited to, art, sport, science and business.

[WWW.PINNACLEPROGRAMME.CO.NZ](http://WWW.PINNACLEPROGRAMME.CO.NZ)

Future New Zealand leaders as part of the Pinnacle Programme spend 21 days on New Zealand's iconic Outward Bound programme in Anakiwa, at the top of the South Island.

## Hyundai Ambassador Team

Speaking of 0800 numbers, if you dial 0800 HYUNDAI (498 632), you'll be talking directly to one of our Hyundai Ambassador Team members in New Zealand. We operate a local call centre. Our team are trained to support you with any concerns, and they'll be able to help you out with anything you need them to.

We respond to every request, no matter how big or small, as quickly as we can. That's the New Zealand way of doing things, and it's our way too.

If it's an emergency you'll be put straight through to our Roadside Assistance team, who are trained to deal with any situation and will get someone out to you as quickly as possible if that is what is required.

# i20 N specifications

CAR TYPE i20 N	HATCH MANUAL
<b>ENGINE:</b>	1.6 litre 16 valve twin overhead cam with gasoline direct fuel injection with turbocharger & Continuously Variable Valve Duration (CVVD)
Fuel system	Gasoline Direct Injection (GDI)
Displacement (CC)	1,598
Maximum power (kW/rpm)	150 kW / 5,500 - 6,000 rpm
Maximum torque (Nm/rpm)	275 Nm @ 1,750 - 4,500 RPM Overboost: 304 Nm @ 2,000 - 4,000 RPM
Active variable exhaust system - 3 modes (Normal, Sport, Sport+)	•
Idle Stop & Go (ISG) system	•
Fuel type	Minimum 91 RON (PULP), E10 compatible
<b>TRANSMISSION:</b>	
Transmission type	6 Speed Manual with Rev Matching Function
Mechanical Limited Slip Differential (m-LSD)	•
Automatic rev matching - 3 modes (Normal, Sport, Sport+)	•
Launch Control System	•
<b>CHASSIS:</b>	
Drive system	Front Wheel Drive
Front suspension	MacPherson strut suspension with coil springs, gas-filled shock absorbers and anti-roll stabiliser bar
Rear suspension	Coupled Torsion Beam Axle (CTBA), gas-filled shock absorbers and anti-roll stabiliser bar
Rear underbody brace	•
<b>WHEELS AND BRAKING SYSTEM:</b>	
Wheels	18" x 7.5J + 53 Alloy
Tyre	Pirelli P-Zero HN 215/40R18 XL 89Y
Compact spare wheel and tyre	•
Tyre Pressure Monitoring System (TPMS)	•
Braking system	Power assisted braking system with ventilated front disc and solid rear disc brakes with ABS, EBD and BAS
<b>STEERING:</b>	
Type	Column mounted Motor Driven Power Steering (MDPS), rack & pinion, with 3 modes (Normal, Sport, Sport+)
Steering column	Manual tilt & telescopic adjustment
Turning Circle (m)	10.54
Energy absorbing collapsible steering column	•
<b>SAFETY FEATURES:</b>	
ABS braking with Electronic Brake-Force Distribution (EBD)	•
Brake Assist System (BAS)	•
Electronic Stability Control (ESC)	•
Traction Control System (TCS)	•
Vehicle Stability Management (VSM)	•
Forward Collision Avoidance (FCA)	•
Lane Keeping Assist (LKA)	•
Lane Following Assist (LFA)	•
Blind-spot Collision Warning assist (BCW)	•
Rear Cross-traffic Collision Warning (RCCW)	•
Driver Attention Warning (DAW)	•
High Beam Assist (HBA)	•
Rear Occupant Alert (ROA)	•
6 Airbags (dual front, side, curtain)	•
Front seatbelt pretensioners and load limiters	•
3-point tether child seat anchor points	•
ISOFIX child seat anchor points	•
Height adjustable seatbelts (front)	•
3-point lap diagonal (ELR) seatbelts	•
Child safety rear door locks	•
Electro Chromatic rear-view Mirror (ECM)	•
Automatic dusk sensing headlights	•
Rain sensing wiper system	•
Rear park assist system	•
Front park assist system	•
Reversing camera	•
First aid kit	•

# i20 N specifications

CAR TYPE i20 N	HATCH MANUAL
<b>EXTERIOR FEATURES:</b>	
Exclusive N body styling	•
Two-tone black roof & mirrors	•
Heated and electrically adjustable side mirrors	•
Electric folding side mirrors	•
LED head lights	•
LED Daytime Running Lights (DRL)	•
LED tail lights	•
Rear spoiler with high mounted LED stop light	•
<b>INTERIOR FEATURES:</b>	
Cloth N interior trim	•
Leather N steering wheel and gearshift trim **	•
Driver seat 6-way sliding, reclining, height adjustable	•
Passenger seat 4-way sliding & reclining adjustable	•
Power windows with drivers automatic up/down function	•
Wireless smart phone charging***	•
Black head lining	•
Alloy pedals	•
Rear seat 60:40 split folding function	•
<b>SECURITY:</b>	
Proximity key and engine start / stop button	•
Keyless entry with anti-theft alarm	•
Engine immobiliser	•
Hyundai Active Locking Operation (HALO) including speed sensing auto door locking	•
<b>COMFORT AND CONVENIENCE:</b>	
10.25" touch screen audio system with radio, MP3, Apple CarPlay and Android Auto compatibility	•
Bose premium audio system with 8 speakers & external amplifier	•
Satellite navigation with live traffic updates	•
Bluetooth handsfree phone system	•
N Performance Driving Data System in multimedia display - with lap / acceleration timer, g-force meter, power / engine temperature / turbocharger boost / brake pressure / throttle gauges	•
Steering wheel mounted audio and cruise controls	•
Front & rear USB inputs	•
Automatic climate control air-conditioning with pollen filter	•
Trip computer including distance to empty, average fuel consumption, average speed and outside temperature display	•
10.25" colour TFT driver information display	•
<b>WEIGHTS AND CAPACITIES:</b>	
Fuel tank capacity (litres)	40
Boot capacity (VDA litres) - seats down	1,123
Boot capacity (VDA litres) - seats up	310
Kerb weight (kg) lightest / heaviest	1,210 / 1,235
Gross Vehicle Mass (kg)	1,665
<b>EXTERIOR DIMENSIONS:</b>	
Wheelbase (mm)	2,580
Overall length (mm)	4,075
Overall width (mm)	1,775
Overall height (mm)	1,440
Wheel track - front / rear (mm)	1,544 / 1,542
<b>SUSTAINABILITY:</b>	
Combined fuel economy (litres / 100km)*	7.7
Co2 emissions (g / km)	175
<b>WARRANTIES &amp; SERVICING:</b>	
1 year / 10,000 km service intervals (whichever comes first)	•
10 year / 200,000 km anti perforation corrosion body warranty	•
3 year / 100,000 km mechanical warranty	•
3 year / 100,000 km roadside assistance package	•
•: Standard -: Not Available	
Specifications, features, equipment and colours shown in this brochure are subject to change without notice or obligation. *Fuel consumption and Co <sup>2</sup> figures are based on AWLTP3 tests and factory information. These figures are provided to assist you in comparing the fuel consumption of the i20 N range with other vehicles. The actual fuel consumption will depend on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. **Finishes specified as leather contain a combination of genuine leather, polyurethane leather (leather substitute) and man-made materials. ***Compatible smart phones only.
