

*The All-Electric*  
**MINI COOPER.**

Hi,

I am 100% electrified and 100% go-kart.

Unplug and play! Experience a new enjoyment. The MINI that heralds a supercharged evolutionary step that fuses MINI go-kart feeling and iconic design whilst being emission free.

So make me yours. Decide the electric engine, package and colours you want. Then let's show the road how fun is done.

[1] Prices shown are manufacturer recommended list prices (MRLP) including GST, excluding on-road and delivery costs. Prices may be subject to rounding.

[2] New MINI's come with MINI's 5 year unlimited kilometre warranty and 5 year roadside assistance.

[3] Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from MINI Australia.

[4] Range and charging performance depends on factors including driving style, route, outside temperature, state of charge and use of vehicle systems (e.g. heating/cooling).

[5] Indicative charging time at maximum power for AC is from 0-100% state of charge and for DC is from 10-80% state of charge.

[6] Fuel consumption, CO2 emissions, power consumption and electric range determined under prescribed measuring procedure EU Reg 715/2007 in the applicable version. Range data determined using WLTP (visit [www.bmw.com/wltp](http://www.bmw.com/wltp)).
