

The All-Electric MINI
COUNTRYMAN.

Hi,
I'm all about getting up early and getting it done. But don't let the name fool you. I'm much more about boot camp and coffee runs than tending to the land. I'm the MINI Countryman. The city is my home though I do love a weekend escape. And just like you, I'm always ready for both.
My interior space and power is fit for any payload; whether it's a growing family, four-legged friends, houseplants or mountain bikes and paddleboards. So let's get to work. See all the colours, interiors and engine types I come in. Then choose the one that suits your way of life best.

MINI COUNTRYMAN MODEL.

The All-Electric COUNTRYMAN SE ALL4.

Power	230 kW
Torque	494 Nm
0-100 km/h	5.6 s
Driving Range (WLTP)	Up to 432 km
Battery Capacity (Gross/Net)	66.5 kWh / 64.6 kWh
Maximum Charging	AC 22 kW / DC 130 kW
Charging Time AC/DC	3h45m / 29m
Drive Type / Motor	AWD / Dual

[GO TO PAGE 5 >](#)

[1] Prices shown are recommended retail prices (RRP) including GST, excluding on-road and delivery costs. Prices may be subject to rounding.

[2] New MINI's come with MINI's 5 year warranty, 5 year roadside assistance and 3 year MINI Service Inclusive.

[3] Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from MINI New Zealand.

[4] Range and charging performance depends on factors including driving style, route, outside temperature, state of charge and use of vehicle systems (e.g. heating/cooling).

[5] Indicative charging time at maximum power for AC is from 0-100% state of charge and for DC is from 10-80% state of charge.

[6] Fuel consumption, CO2 emissions, power consumption and electric range determined under prescribed measuring procedure EU Reg 715/2007 in the applicable version. Range data determined using WLTP (visit www.bmw.com/wltp).
