

The All-Electric MINI **COUNTRYMAN.**

Hi,
I'm all about getting up early and getting it done. But don't let the name fool you. I'm much more about boot camp and coffee runs than tending to the land. I'm the MINI Countryman. The city is my home though I do love a weekend escape. And just like you, I'm always ready for both.
My interior space and power is fit for any payload; whether it's a growing family, four-legged friends, houseplants or mountain bikes and paddleboards. So let's get to work. See all the colours, interiors and engine types I come in. Then choose the one that suits your way of life best.
