Nissan Genuine Complete Confidence

Nissan is committed to providing accessories that are designed and developed specifically for your vehicle.

By fitting Nissan Genuine Accessories you can rest easy knowing our high-quality standards ensure the perfect fit, increased safety and reliability, allowing you to future-proof your Nissan.

Your Nissan vehicle is an important investment so don't compromise on safety or reliability – insist on Nissan Genuine Accessories.

Safety

Nissan Genuine Accessories have undergone thousands of hours of rigorous testing to meet the highest standards of quality and performance, as your safety is our priority.

Reliability

Nissan Genuine Accessories are built to be reliable, with the added peace of mind that they are covered by the Nissan New Vehicle Warranty.

Perfect Fit

Nissan Genuine Accessories are made to perfectly fit your vehicle, ensuring it runs at its optimum level and is ready for any adventure.

Future-Proof

Only Nissan Genuine Accessories keep your vehicle complete, just like the day you bought it, maintaining its resale value.

Warranty: Nissan Genuine Accessories that are purchased and fitted by an Authorised Nissan Dealer prior to vehicle delivery to the 1st registered owner are covered in line with terms and conditions of the new vehicle warranty. Nissan Genuine Accessories purchased / installed after the delivery of the vehicle to the 1st registered owner or installed by 3rd parties other than Authorised Nissan Dealer are covered by Nissan's one (1) year or 20,000km warranty.

Note: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Guaranteed To Perform

Nissan Genuine Accessories are subjected to hours of rigorous testing to ensure maximum durability and reliability.

Weathershields (Slimline, Front and Rear)

Patrol branded Weathershields that protect the cabin against the elements when windows are partially open. A slim finish that is perfectly tailored to your vehicle.

Bonnet Protector (Smoked)

Tinted Patrol branded Bonnet Protector complements the appearance of your Nissan and protects the leading edge of your bonnet from stone chips and other road debris.

Kick Plates

Personalise and protect your vehicle's door sill from scuff marks and scratches with these front and rear Kick Plates. Front set are illuminated and branded.

Towbar

The Towbar has been engineered and tested to provide durability and reliability. Maximum braking capacity of 3,500kg*.

*Maximum braked capacity 3,500kg.

NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. At Nissan, we use new technologies to transform cars from mere transportation. Together the journey is more confident, connected, and exciting. Whether it is cars that share the task of driving or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.
