01. interior

Image shown for guidance purposes only. Actual specification may differ.

Kangoo E-Tech 100% Electric

- EASY LINK display with 8" touchscreen, wireless smartphone replication, DAB radio, Bluetooth and USB ports
- height and reach adjustable steering wheel
- glazed steel bulkhead
- automatic climate control air conditioning
- three regenerative braking modes available via the gear lever

02. equipment

passive safety

- 3-point height adjustable front seat belts with pre-tensioner
- Driver & passenger front airbags
- Driver & passenger side airbags
- Driver & passenger seat belt warning

active safety

- ABS (Anti-Lock Braking System)
- EBA (Emergency Brake Assist)
- Advanced Emergency Braking System
- Lane Keep Assist
- ASR (Traction Control)
- Cruise control & speed limiter
- Rear parking sensors
- Reversing camera
- Hill Start Assist

connectivity and multimedia

- Easy Link 8" capacitive touchscreen multimedia system
- Instrument display with colour 4.2" TFT screen
- Apple CarPlay® & Android Auto® smartphone replication*
- 12v dashboard power outlet
- Smartphone dock

E-TECH SPECIFIC

- Front E-Tech charging socket under Renault logo
- AC 22kW charging capability
- AC 22kW + DC 80kW charging capability
- E-Tech instrument panel with energy gauge
- Audible alert for pedestrians

convenience

- Remote central locking
- Engine immobiliser
- Auto-door lock when driving
- Halogen headlights
- Automatic windscreen wipers
- Automatic dusk sensing headlights
- Electric parking brake
- ECO mode
- Tyre inflation kit
- Electric front windows
- Manual dimming rear view mirror
- Rear window demister

comfort

- Reach & height adjustable drivers seat
- Synthetic leather steering wheel
- Power steering
- Height and reach adjustable steering column
- Climate control air conditioning

interior styling

- Cloth Seat Upholstery

exterior styling

- 16" Steel Wheels
- Left & right sliding doors - unglazed
- Body side protection mouldings
- Rear 180° opening barn doors - glazed
- Extra tinted barn door glass
- Rear mud flaps

cargo area

- Steel bulkhead - glazed
- Mid-height cargo lining
- Cargo area light

main options

- Business Pack

- Tyre pressure monitor
- Hands-free key card
- Body-coloured outer door handles
- Adaptive cruise control
- Centre console w/armrest and storage
- Wireless smartphone charger
- Extra tinted rear windows
- Front fog lamps
- LED headlights
- Leather wrapped steering wheel
- Heated steering wheel
- Tyre Inflation Kit

- Trade Pack

- Timber floor lining
- Full-height cargo area wall lining
- Yard kit underbody protection
- Cargo area LED lighting

- Peace of Mind Pack

- Blind Spot Intervention
- Front, rear and side parking sensors
- Driver attention alert
- High beam assist
- Navigation
- Overspeed prevention and traffic sign recognition

Single options

- Smart rear-view mirror
- No right sliding door (SWB only)
- Glazed left and right sliding doors
- Body coloured front & rear bumpers (SWB only - not compatible with Peace of Mind pack)
- 80kW DC charger

03. batteries and engines

	SWB E-TECH 100% electric	LWB E-TECH 100% electric
engine & transmission		
Type	Synchronous with coiled rotor	
Maximum power (kW)	90	
Maximum torque (Nm)	245	
Fuel type	Electricity	
Type	1 Speed Automatic	
Driven wheels	Front	
battery & charging		
Battery Type	Lithium Ion w/ cooling system	
On-board power (kWh)	45	
Charging time - 22kW AC charger	approx. 2h25*	
Charging time - 80kW DC charger ⁽³⁾	approx. 1h25*	
consumption[^]		
Standardised electricity consumption on the road (kWh/100km)	15.79	
WLTP driving range (km) ⁽¹⁾	285	
Certification protocol	WLTP ⁽²⁾	

(1) The driving range depends on the configuration chosen. (2) WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those.

(2) Based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) static laboratory combined average city and highway cycle test, which measures energy consumption, range and emissions in vehicles, designed to provide figures closer to real-world driving behaviour. Real life driving results will vary depending on driving style, type of journey, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

(3) Only applicable to vehicles with optional 80kW DC on-board charger.

* the charging time and driving range recovered depend on the temperature, wear of the battery, power delivered by the charging point, your driving style and your charge level.

04. equipment and options
