

# BRZ

2025

For a world *discovered*

# *Ultimate joy ride*

The Subaru BRZ is here to transform your world.

Born and bred from Subaru high performance DNA is the 2025 Subaru BRZ. Famous for its adrenaline inducing Subaru Boxer engine, this classic sports coupe is brimming with possibility.

Intuitively designed and engineered, Subaru BRZ delivers driving pleasure with the dynamic performance of a classic rear-wheel drive layout. Together with its low centre of gravity, Boxer engine and superior front-to-rear weight distribution, the BRZ is perfectly tuned to deliver epic power, torque and handling. Plus, now manual transmission enthusiasts can also revel in the thrill of SPORT Mode, for a more sporty and engaging drive.

So strap yourself in for the ultimate joy ride and give in to the lure of the open road - wherever it may take you.

Subaru BRZ Coupe S with optional accessories sold separately.

Subaru BRZ Coupe S

# Torque of the town

Urging you to unlock where to next, Subaru BRZ delivers heart-pumping thrills and the pure exhilaration of the ultimate joy ride.

With Subaru's legendary performance pedigree running through its veins, the 2025 Subaru BRZ elicits a thrilling response from the 2.4 litre Boxer engine that powers a sublime analogue sports car performance. The spirited soul of this performance car is heightened in Subaru BRZ tS variants which boast STI tuned suspension and Brembo brakes for added confidence and control.

Exhilarating BRZ handling and driveability is delivered in a choice of 6-speed manual or 6-speed automatic transmission. Choose the hands-on fun of Subaru BRZ's manual variants, now with the added thrill of SPORT Mode - previously only available in automatic variants. Enhancing the direct throttle response, SPORT Mode delivers sharper acceleration and a more responsive drive. While engaging TRACK mode further amplifies the driving experience, for a sportier and more engaging drive.

Performance driven levels of driver control, align with Subaru's commitment to safety and Towards Zero<sup>1</sup> vision. Subaru BRZ safety keeps you in line through primary, active, preventative and protective safety technologies, including Subaru EyeSight® Driver Assist which is standard across the Subaru BRZ range. With high rigidity and excellent collision safety, the Subaru BRZ offers impressive protective safety credentials and passenger protection.

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/outline/about/zeroaccident/](http://www.subaru.co.jp/en/outline/about/zeroaccident/). | Subaru BRZ Coupe tS

Subaru BRZ Coupe S

## Set your world on fire

With Subaru's racing pedigree as your co-pilot, Subaru BRZ is primed for unbridled thrills. Underscoring its legendary true sports car status, is Subaru BRZ's dynamic rear-wheel drive layout, precision tuned suspension and a chassis optimised for handling. Urging you on, the athletic, two-door coupe styling delivers a superior aerodynamic performance, highlighted by bold fenders and dynamically sculpted body contours.

The wide, ultra-low stance and low centre of gravity is enhanced by the compact Boxer engine for optimal straight-line stability, superior road grip and powerful handling prowess. To accentuate its bold, performance-driven credentials, Subaru BRZ features optimum chassis rigidity and an ideal power-to-weight ratio for responsive steering, dynamic handling and sharp gear-shifting control.

Add 18" alloy wheels, Michelin Pilot Sport 4 tyres and a grip that hangs on through the corners, and you have the ultimate in driving excitement, safety and agility. As Subaru BRZ owners know, driving is not about getting from A to B, it's about the epic moments along the way.

# Feel the connection

Discover a world engineered by sports car aficionados, in Subaru BRZ's powerful connection with the road. Configured to heighten the thrilling performance, the intuitively designed motorsports-styled cockpit delivers an energy and balance that revels in the ride. Hunker down in the purpose-designed front seats which have been bolstered and shaped for optimum driver support, and enhanced road feel, especially when cornering.

Amplifying the driver's experience is the selectable, digital instrument cluster which pumps out all-important vehicle stats. The sports set up includes an LCD segment display, combined with Subaru's first 7" LCD with TFT technology for greater image quality. The performance style tachometer and speedometer displays change colour to reflect the driving mode selected, and Subaru BRZ Coupe tS exclusively features an instrument cluster with STI logo and Bordeaux highlights.

Connecting you to the road - and the world beyond - is the integrated 8" display infotainment system, plus seamless connectivity, satellite navigation, intuitive controls, switches for frequently used functions and a responsive touchscreen for smartphone-like operation.

## INSTRUMENT CLUSTER

Selectable, digital instrument cluster with clear, easy to read driving information.

## TOUCHSCREEN

Responsive 8" touchscreen with Apple CarPlay® and Android Auto™ smartphone connectivity<sup>1</sup>.

## SUBLIME STYLE

Exclusive to the Subaru BRZ tS - Ultrasuede® and leather-accented seat trim in black and bordeaux.

## PADDLE GEAR SHIFTERS

6-speed automatic transmission with fingertip operated paddle gear shifters. (AT variants only)

1. Compatible Apple® or Android™ device required.

Feel the connection in the  
Subaru BRZ [www.subaru.com.au/brz](http://www.subaru.com.au/brz)

Subaru BRZ Coupe S

## Minimalist sports car elegance

Designed to thrill, Subaru  
BRZ delivers joy at every  
turn and every angle.

Mirroring the formidable attitude of Subaru BRZ, are sleek side door mirrors designed for optimal aerodynamic efficiency and epic sports style. Their triangular shape improves visibility, while the heated mirror function keeps mirrors clear in cold conditions. The power-folding function sees the mirrors fold snugly away for added convenience and scratch prevention.

The bold, full LED headlights, which are standard across the range, boast a stylish blacked-out housing and BRZ logo. The long sweeping design encases the LED Daytime Running Lights and finishes at the rear extension trim, forming Subaru's signature C-shaped motif. For enhanced visibility, self-levelling headlights adjust the light angle to better illuminate the road, while Steering Responsive Headlights (SRH) automatically aim towards the direction you are steering to aid with visibility around corners.

Subaru BRZ Coupe tS

## Heart and soul

The infinite possibility that drives Subaru BRZ lies at its very core where the magic happens.

Boxer Engine

Horizontally-opposed Boxer engine

The heart and soul of Subaru BRZ owes its reputation to the intersection of two irreplaceable forces - the iconic horizontally-opposed Boxer engine and classic rear-wheel drive sports car layout. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design minimises noise and vibration to the cabin, while the low centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru BRZ's rear-wheel drive design, this combination delivers innate balance from the ground up, enhanced driving dynamics and a true sports car performance. Further enhanced by the rigidity and balance evident in the chassis, Subaru BRZ boasts optimum control for a thrilling, self-assured drive.

Safety and performance are built into the very core of Subaru BRZ, learn more about the advanced engineering at [www.subaru.com.au/safety-active](http://www.subaru.com.au/safety-active)

When unlocking where to next, Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

## Towards zero fatal road accidents by 2030<sup>1</sup>

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030<sup>1</sup>. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru BRZ aims to provide inherent safety and peace of mind so you can pursue the ultimate joy ride.

Road user safety is expressed in the design of countless Subaru innovations [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/outline/about/zeroaccident/](http://www.subaru.co.jp/en/outline/about/zeroaccident/).

Take the detour, knowing  
the EyeSight® Driver Assist  
system is standard on  
Subaru BRZ.

EyeSight® Driver Assist

## Second pair of eyes

Packing a powerful safety performance, Subaru BRZ is a winner in cutting-edge protection thanks to this world-renowned preventative safety system. Subaru EyeSight® Driver Assist system operates like an ever-attentive second pair of eyes - to provide warnings and braking assist that is designed to help reduce driver burden, prevent accidents and save lives.

Subaru EyeSight® Driver Assist system incorporates a host of primary functions - Pre-Collision Brake Assist, Pre-Collision Braking System, Pre-Collision Throttle Management<sup>1</sup>, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning and Lane Sway Warning.

Using EyeSight® stereo cameras, this intelligent system can help detect potentially dangerous driving situations before you do. While the host of primary functions prompt the driver to take action or can assist in the event it detects an impending collision.

You'll look at safety with new eyes when you learn more about  
Subaru's advancements at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

1. Subaru BRZ Coupe, BRZ Coupe S and BRZ Coupe tS 6-speed automatic transmission variants only.

An aerial photograph of a winding asphalt road that curves through a hilly landscape. The road is dark grey with white dashed lines. To the left of the road, there is a dense forest of green trees. To the right, the terrain is a mix of brownish-yellow brush and green trees. The overall scene is captured from a high angle, looking down at the road as it curves into the distance.

*Test drive for a world discovered*

Subaru's Vision Assist transforms your world using embedded camera and radar technology to detect vehicles and obstacles you can't see. Standard across the Subaru BRZ range, Subaru Vision Assist combines with the forward vision features of EyeSight® Driver Assist technology, to empower drivers with a sixth sense to support preventative safety.

Vision Assist

EyeSight® Driver Assist

Reverse Automatic Braking shown.

## All knowing, all seeing

Subaru's Vision Assist gives the driver a greater awareness of the world around them. Blind Spot Monitor uses radar sensors to help make lane changes safer, by warning of vehicles detected in the blind spot. When changing lanes, the Lane Change Assist radar sensors are designed to detect fast approaching vehicles and warn the driver of their presence. While the Rear Cross Traffic Alert warns the driver if another car is detected approaching when reversing out of a car space.

All variants come with the added feature of High Beam Assist which monitors the road ahead and automatically switches to low beam when an oncoming vehicle is detected. Plus the additional Reverse Automatic Braking<sup>1</sup> feature triggers a warning to alert the driver of an obstacle detected behind the vehicle and can also apply the brakes if the driver doesn't react first.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

1. Subaru BRZ Coupe, BRZ Coupe S and BRZ Coupe tS 6-speed automatic transmission variants only.

## Peace of mind protection

With a restless conviction to achieve the seemingly impossible, Subaru is committed to designing vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030<sup>1</sup> represents Subaru's ambitious future target, decades of bold thinking, structural development and safety design research has transformed Subaru BRZ.

An overwhelming feeling of protection is underpinned by Subaru's development of a revolutionary global platform, which drives all other models in the range. This extensive research and knowledge has been harnessed in the manufacturing and engineering of the Subaru BRZ chassis.

Subaru BRZ also features a full inner frame structure, plus the passenger safety cell that is designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the horizontally-opposed Boxer engine is designed to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of seven SRS<sup>2</sup> airbags in Subaru BRZ can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru BRZ gives you peace of mind protection at [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/outline/about/zeroaccident/](http://www.subaru.co.jp/en/outline/about/zeroaccident/). 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Designated crumple zones direct impact energy away from the passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

## Have it your way

Discover a world of head-turning accessories designed to set your heart racing. Curate your joy ride with motorsport-inspired accessories to elevate your 2025 Subaru BRZ. See the full list of accessories available on the following pages.

# The Subaru BRZ range at a glance

The Subaru BRZ range has been built on a design philosophy to create a dynamic driver's sports car, with potent coupe styling and impressive inclusions that deliver joy at every turn. See the pages that follow for a full list of specifications or visit [www.subaru.com.au/brz](http://www.subaru.com.au/brz)

## Standard across the range

- + 2.4-litre horizontally-opposed Boxer 4-cylinder, petrol engine
- + 6-speed automatic or 6-speed manual transmission
- + SPORT mode
- + TRACK mode
- + Manual mode (AT only)
- + 18" alloy wheels
- + EyeSight® Driver Assist technology
- + Subaru's Vision Assist
- + One touch lane change indicator

## SUBARU BRZ COUPE

## SUBARU BR

- + Heated driver and front passenger seats

- + Tyre Pressure Monitoring system
- + Self-levelling LED headlights (dusk-sensing)
- + Front LED Daytime Running Lights (DRL)
- + Heated and power-folding door mirrors

- + Full-sized spare wheel
- + Dual zone climate control
- + USB-A connection
- + *Bluetooth*<sup>®1</sup> wireless technology
- + Rear view reverse camera
- + Smart key with push-start ignition

- + 7" LCD Multi-Information Display unit
- + Integrated infotainment system featuring:
  - 8" touchscreen
  - Apple CarPlay<sup>®</sup> and Android Auto<sup>™</sup> connectivity<sup>2</sup>

- Digital radio (DAB+)<sup>3</sup>
- Satellite navigation
- + SRS<sup>4</sup> airbags – dual front, dual front side, dual curtain and driver's knee

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. *Bluetooth*<sup>®</sup> is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the *Bluetooth*<sup>®</sup> wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Compatible Apple<sup>®</sup> or Android<sup>™</sup> device required. 5. Digital radio reception not available in all areas. 6. Every new Subaru comes with a 5 Year/Unlimited Kilometre warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 7. Every brand new 2025 Subaru BRZ comes with Subaru's 60 Month/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 8. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program).

# Welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you.

Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru, you are welcomed into an owner's program that gives you access to a number of benefits.

## SUBARU NEW CAR WARRANTY - 5 YEAR/UNLIMITED KILOMETRES<sup>1</sup>

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty) or ask your Subaru Retailer for more information.

## SUBARU CAPPED PRICE SERVICING<sup>2</sup>

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing)

## 1 MONTH HEALTH CHECK AND CHAT

The 1 Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

## SUBARU'S MAP UPDATES<sup>3</sup>

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program - guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 2. Every eligible Model Year 2025 onward Subaru BRZ comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 3. Subaru's Map Update Program is available on 2025 Subaru BRZ models purchased with the factory line fit Gen4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit [www.subaru.com.au/servicing/subaru-map-update-program](http://www.subaru.com.au/servicing/subaru-map-update-program).

## SUBARU ROADSIDE ASSISTANCE<sup>1</sup>

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

## SUBARU CERTIFIED COLLISION REPAIRER NETWORK<sup>2</sup>

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

## GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru BRZ accessories visit [www.subaru.com.au/brz/accessories](http://www.subaru.com.au/brz/accessories). For more information on Genuine Subaru Accessories, visit [www.subaru.com.au/accessories-information](http://www.subaru.com.au/accessories-information).

## SUBARU INSURANCE<sup>3</sup>

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

## SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind - from participating Subaru Certified Used Car Retailers.

## AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, with 12 months/15,000kms service intervals and 5 Year/Unlimited Km Warranty<sup>4</sup>. The Subaru BRZ gives you the freedom to enjoy where the fun takes you.

## SUBARU FINANCIAL SERVICES<sup>5</sup>

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program). 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit [www.subaru.com.au/retailers](http://www.subaru.com.au/retailers) to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
