

SUBARU
XV
ALL-WHEEL DRIVE

2022

designed with attitude, built for fun

Take fun to the next level
with the Subaru XV AWD,
the original and multi award-
winning compact SUV.

Always up for adventure, awesome underpins every element of the striking, sports-inspired Subaru XV design. The reenergised, muscular stance is complemented by rugged Symmetrical All-Wheel Drive capability and Subaru's X-Mode, providing greater control to help tackle different terrains.

Impressive engine power across the Subaru XV range including Hybrid featuring the economic e-Boxer engine. Each variant boasts an enviable performance, while the highly responsive Subaru Intelligent Drive (SI-Drive) injects more enjoyment into every ride. Always fun to drive, the Subaru XV retains Subaru's trademark safety, while the thrilling 220mm ground clearance¹ will elevate your weekend road trips. Add advanced infotainment and a cabin brimming with tech, and you have an SUV like no other.

1. Ground clearance at kerb weight.

Symmetrical AWD

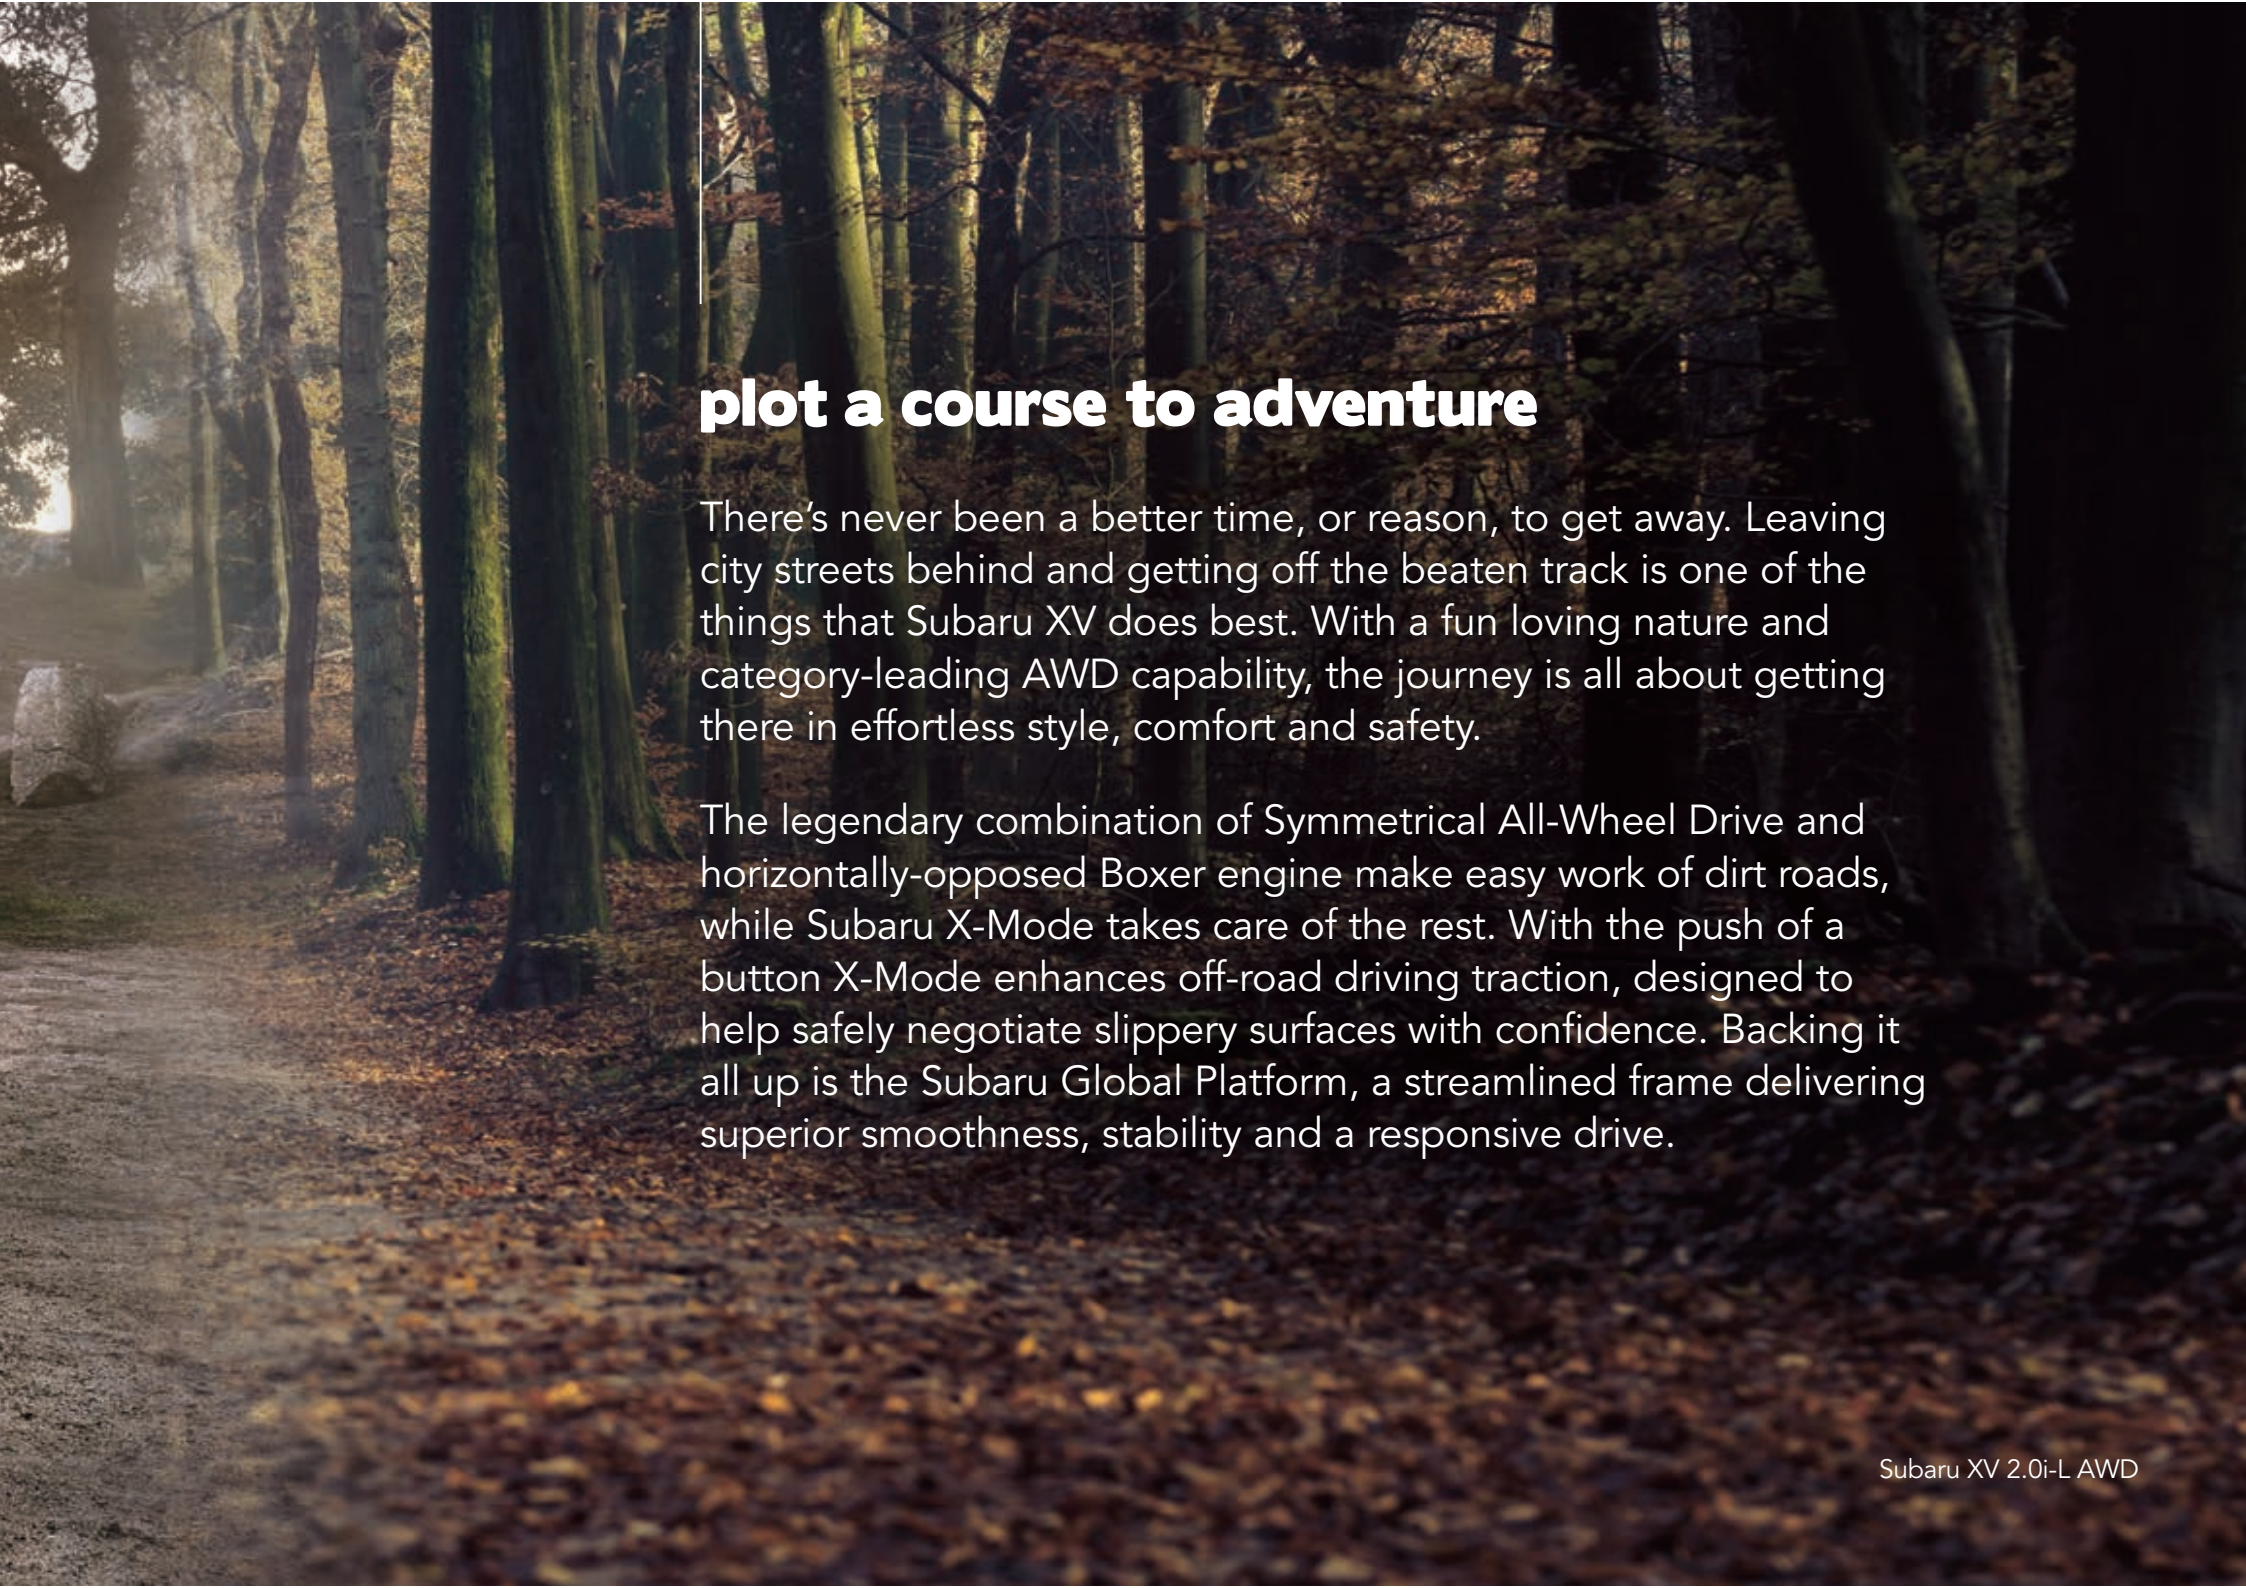

Boxer Engine

Subaru Global Platform

X-Mode

A misty forest path with tall trees and fallen leaves. The scene is dimly lit, with light filtering through the trees, creating a serene and adventurous atmosphere. The path is covered in a thick layer of brown and orange autumn leaves. Tall, slender tree trunks line the path, some with moss or lichen. The background is hazy, suggesting a deep forest.

plot a course to adventure

There's never been a better time, or reason, to get away. Leaving city streets behind and getting off the beaten track is one of the things that Subaru XV does best. With a fun loving nature and category-leading AWD capability, the journey is all about getting there in effortless style, comfort and safety.

The legendary combination of Symmetrical All-Wheel Drive and horizontally-opposed Boxer engine make easy work of dirt roads, while Subaru X-Mode takes care of the rest. With the push of a button X-Mode enhances off-road driving traction, designed to help safely negotiate slippery surfaces with confidence. Backing it all up is the Subaru Global Platform, a streamlined frame delivering superior smoothness, stability and a responsive drive.

bristling with city smart technology

Subaru XV embraces city weekends. A late brunch and a rock star car park out the front, are almost as impressive as the advanced tech Subaru XV rocks on the inside. Dial up infotainment on the touchscreen, listen to digital radio¹ (DAB+) or bounce maps and music directly from your smartphone². Enjoy *Bluetooth*^{®3}, USB and AUX convenience and stay connected with friends wherever you are via Apple CarPlay[®] and Android Auto[™] connectivity².

City driving convenience includes smart key and push-start ignition, power folding door mirrors and a reverse camera to show you obstacles and distracted pedestrians. Plus the award-winning Subaru EyeSight[®] Driver Assist technology standard across the range to help monitor the road ahead for dangers. Selected variants boast Vision Assist⁴ to ramp up safety with camera, sensors and radar technology to detect vehicles and obstacles you can't see. All adding up to a 5 star ANCAP⁵ safety rating across the Subaru XV range.

1. Digital radio reception not available in all areas. 2. Compatible Apple[®] or Android[™] device required. 3. *Bluetooth*[®] is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the *Bluetooth*[®] wireless technology specification of individual device. 4. Vision Assist available on Subaru XV 2.0i Premium AWD, XV 2.0i-S AWD and XV Hybrid S AWD only. 5. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru XV tested in 2017.

stand out design

The definition of head-turning, hi-tech design, Subaru XV is almost impossible to miss.

Sports-style attitude meets sophistication with dynamic exterior lines, sleek roof rails and attention-grabbing colours, including Plasma Yellow Pearl, for those who don't take life too seriously. Distinctive side cladding, modern bumpers and striking alloy wheel designs complete the picture.

Inside the contemporary cabin is equally attention seeking, with high quality finishes and stand-out orange seat stitching. Enter the Subaru XV 2.0i Premium AWD and bathe in the warm cabin aesthetic highlighted by an electric sunroof bringing the outdoors inside. While Subaru XV 2.0i-S AWD and Hybrid S AWD feature luxurious heated front seats, 8-way power driver's seat and leather accented seats.

urban style, off-road ambition

Ready to be called up for service in the city or off-road, Subaru XV is always up for fun. The legendary handling of Symmetrical All-Wheel Drive helps makes city driving safer and off-road driving effortless. While the iconic horizontally-opposed Boxer engine is sublime on city commutes, it revels in tackling country roads – where Subaru XV's impressive ground clearance comes to the fore. Also impressive is the flexible cargo space that easily expands for larger loads, with fold down rear seats featuring a 60/40 split. Whether travelling across town or across the open plains, the dynamic and versatile performance of Subaru XV is masterful – thanks in part to the superbly engineered Subaru Global Platform.

OUTSTANDING CONNECTIVITY

Dial up all the info you need directly from your smartphone with seamless Apple CarPlay® and Android Auto™ connectivity¹.

Subaru XV 2.0i-S AWD shown.

USB CONNECTIVITY

Plug in to charge and play, with a two convenient USB ports integrated into the front centre console standard across the Subaru XV range.

HEATED FRONT SEATS⁴

Sink into the luxury of heated front seats with stylish, leather accented seat trim on the Subaru XV 2.0i-S AWD and Hybrid S AWD.

8-WAY POWER DRIVER'S SEAT⁴

Program in the perfect driving position for up to two drivers with the dual memory function on Subaru XV 2.0i-S AWD and Hybrid S AWD.

 More command centre, than cockpit, Subaru XV tech sets a new benchmark www.subaru.com.au/xv

1. Compatible Apple® or Android™ device required. 2. Digital radio reception not available in all areas. 3. Requires compatible Bluetooth® enabled phone to be paired with the infotainment system. 4. Available on Subaru XV 2.0i-S AWD and Hybrid S AWD only.

Subaru XV 2.0i-S AWD

switch on to the future

With Subaru XV Hybrid,
everything you love about
Subaru's original compact
SUV is even better.

From the moment you press the accelerator, you know the Subaru XV Hybrids are something special. The combination of Subaru's legendary Symmetrical All-Wheel Drive, self-charging electric/petrol hybrid technology and e-Boxer delivers low-speed acceleration and torque combined with super responsive handling, impressive driving efficiency. Plus the drive is cleverly enhanced by Subaru Motor Assist, which automatically combines power sources under certain conditions, to improve the driving experience.

The end result, is a Subaru XV to drive you into the future with renowned levels of comfort, convenience, safety and tech. Choose between the Subaru XV Hybrid L AWD or the luxury of the XV Hybrid S AWD with a large electric sunroof, heated front seats and leather accented seat trim.

Subaru XV Hybrid S AWD

Subaru Hybrid
e-BOXER Technology

SELF-CHARGING ON THE GO

e-Boxer combines an electric motor and high voltage battery with a petrol engine for better performance. Plus, self-charging technology captures kinetic energy while braking to recharge the battery.

live in the moment, safeguard the future

Subaru e-Boxer technology gives you the freedom of plug-free, self-charging hybrid driving, which seamlessly teams power from a compact battery and electric motor, with the petrol engine.

Subaru XV Hybrid L AWD shown.

A PERFECT MATCH

Power from the compact battery and electric motor, assist the petrol engine – changing between Electric only, Motor Assist and Engine only driving modes to match the conditions.

Subaru XV Hybrid S AWD shown.

3-WAY POWER

In certain conditions, such as when gently pulling away or driving slowly the electric motor powers the car. When cruising, the petrol engine is the most suitable power source. Meanwhile, e-Boxer's Motor Assist can engage both power sources for an improved driving experience.

FRAMED TO DELIVER

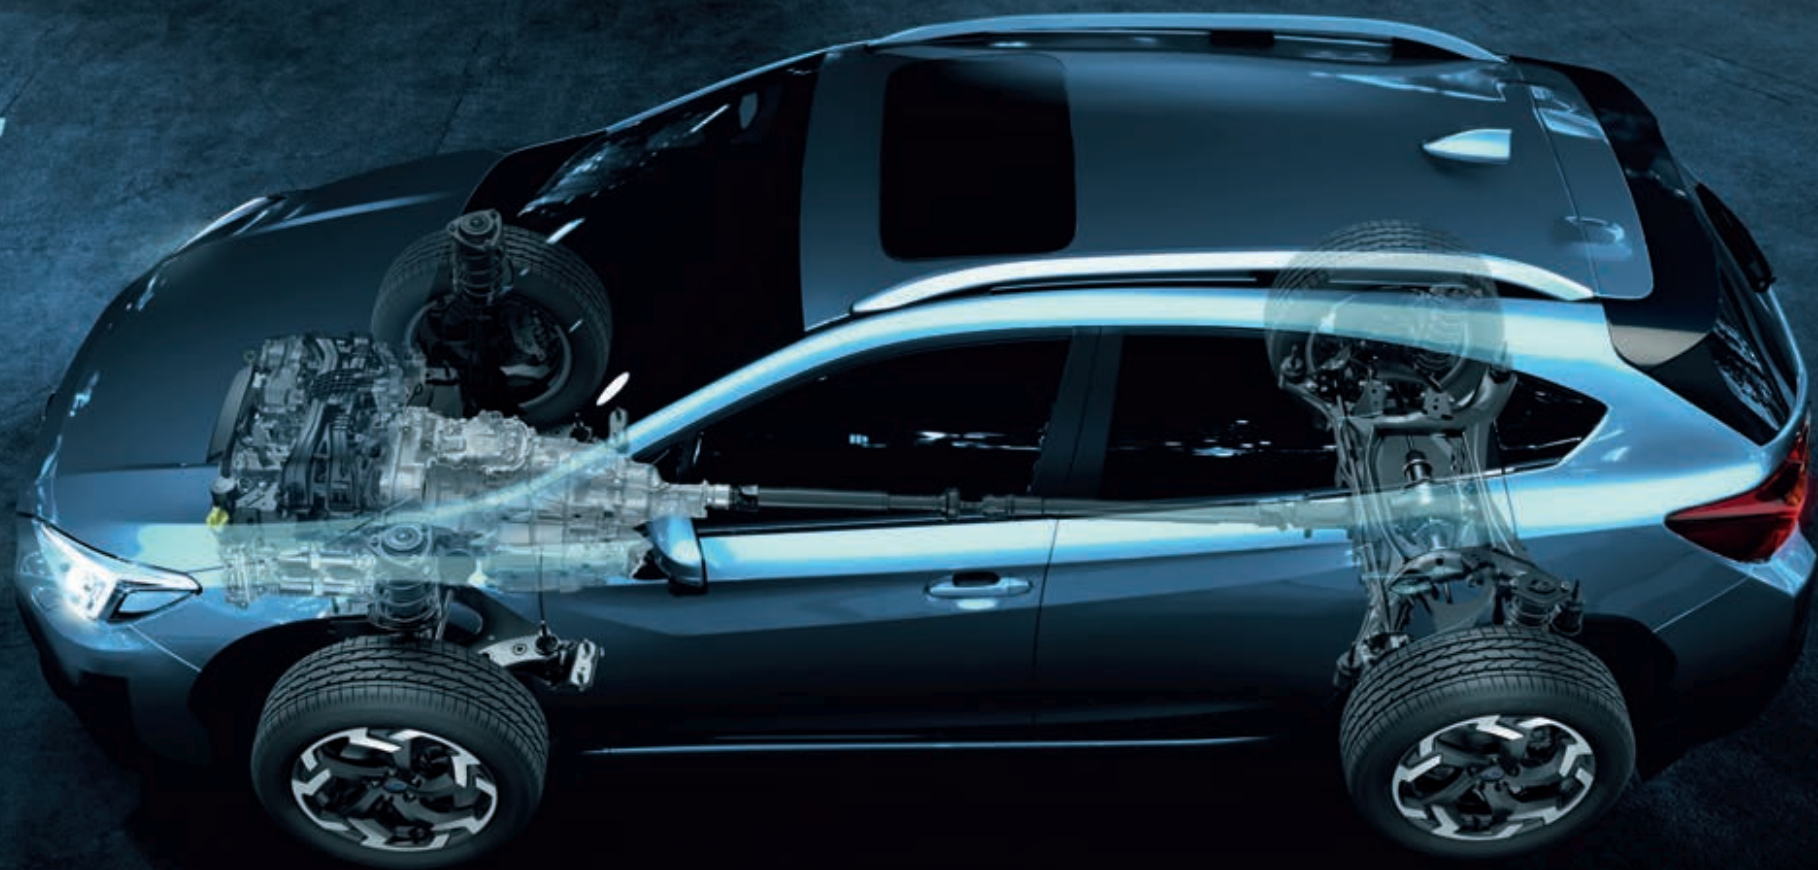

Delivering a linear, highly-responsive drive with excellent handling and stability, the Subaru XV Hybrid models incorporate structural changes to enhance overall torsional and rear suspension rigidity.

LOCKED AND LOADED

The electric motor's battery and other electrical components are positioned under the cargo floor, so they do not compromise cargo space, height or versatility.

SUBARU
HYBRID
e-BOXER

heart and soul

When fine-tuning every element of Subaru XV's dynamic attitude, the creators were unanimous that some things remained sacrosanct.

Symmetrical AWD

Boxer Engine

The heart and soul of Subaru XV owes its vitality to the intersection of two irreplaceable forces - the iconic horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru XV's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution Subaru XV boasts twice the grip capacity, compared to conventional vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

Safety and performance are built into the very core of Subaru XV, learn more about the advanced engineering at www.subaru.com.au/safety-active

Subaru XV 2.0i Premium AWD

The compact SUV, that's big on off-road capability, can take on big adventures with legendary Symmetrical All-Wheel Drive and the advanced control of Subaru X-Mode.

X MODE

Activated via a button on the centre console, X-Mode helps moderate wheel spin and maximise traction.

confidence in all terrains

With Symmetrical All-Wheel Drive distributing power simultaneously to all four wheels, Subaru XV has an innate sense of balance from the ground up even in some of the most challenging terrain.

Activated at the push of a button, X-Mode is standard across the range to enhance off-road driving by delivering traction in response to the conditions. This intelligent electronic system constantly monitors the traction available to each wheel and centralises the control of key components including the engine, transmission, drivetrain and brakes to help manage slippery conditions.

In Subaru XV 2.0i-S AWD and XV Hybrid S AWD you can choose from two X-Mode settings, to dial up the traction to suit the driving conditions – from loose gravel, to deep snow.

Learn more about the unique features of the terrain taming X-Mode at www.subaru.com.au/xv

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

towards zero fatal road accidents by 2030¹

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru XV aims to provide an inherent safety. Giving you the peace of mind to enjoy the magic of every adventure in your Subaru XV.

Road user safety is expressed in the design of countless Subaru innovations www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html.

EyeSight® Driver Assist
system is standard across
the Subaru XV range.

EyeSight® Driver Assist

second pair of eyes

This world-renowned preventative safety system operates like an ever-attentive second pair of eyes - to provide warnings, plus braking and steering intervention that is designed to help reduce driver burden, prevent accidents and save lives.

Subaru EyeSight® Driver Assist system incorporates a host of primary functions - Pre-Collision Brake Assist, Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning, Lane Sway Warning and Lane Keep Assist.

Using EyeSight® stereo cameras, this intelligent system detects potentially dangerous driving situations before you do. While the host of primary functions prompt the driver to take action or assists in the event it detects an impending collision.

You'll look at safety with new eyes when you learn more about
Subaru's advancements at www.subaru.com.au/safety-preventative

A smart driving companion to have on your side, Subaru's Vision Assist¹ uses embedded cameras, advanced monitors and radar technology to detect vehicles and obstacles you can't see. Subaru

Vision Assist¹ is standard on selected variants and combines with EyeSight[®] Driver Assist technology to empower drivers with a sixth sense to support preventative safety.

Vision Assist¹

EyeSight[®] Driver Assist

all knowing, all seeing

Subaru's Vision Assist¹ on selected variants utilises the Multi-Function Display unit (MFD) to give drivers a greater awareness of the world around them. Blind Spot Monitor uses rear sensors to make lane changes safer, by warning of vehicles detected in the blind spot. Meanwhile, the Front View Monitor uses a front grille mounted camera to capture images of the blind area immediately in front of the vehicle to help avoid damage when parking.

The Rear Cross Traffic Alert warns the driver when another car is detected approaching whilst the driver is reversing out of a car space. Reverse Automatic Braking triggers a warning to alert the driver of a detected obstacle and can apply the brakes if the driver doesn't react first. When changing lanes, Lane Change Assist radar sensors are designed to detect fast approaching vehicles and warn the driver of their presence.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Vision Assist is standard on Subaru XV 2.0i Premium AWD, XV 2.0i-S AWD and XV Hybrid S AWD only.

peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the 5 star ANCAP² safety rated Subaru XV.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru XV's carefully engineered body structure and Subaru Global Platform, including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of seven SRS³ airbags in Subaru XV can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru XV gives you peace of mind protection at www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru XV tested in 2017. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

ANCAP
SAFETY

TESTED
2017

Designated crumple zones direct impact energy away from the ring-shaped passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth® wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Compatible Apple® or Android™ device required. 5. Digital radio reception not available in all areas. 6. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system. 7. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 8. The Subaru New Vehicle Warranty period on high voltage batteries for Subaru Hybrid vehicles is 8 years/160,000 kms, whichever comes first. 9. Every eligible Model Year 2022 onward Subaru XV comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you.

Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY – 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our 5 Year/62,500 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1-MONTH HEALTH CHECK AND CHAT

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES³

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2022 onward Subaru XV comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2022 Subaru XV models purchased with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru XV accessories visit www.subaru.com.au/xv/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE³

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/12,500km service intervals and 5 Year/Unlimited Km Warranty⁴. The SUV is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
