All-new Amarok

Master of versatility

Fundamentally reimagined, the Amarok excels with modern technology and redesigned styling. Tough enough to work with you, rugged enough for off-road. Whatever your requirements, the new Amarok meets them effortlessly.

This is **performance**

With a range of 2.0 to 3.0-litre diesel engines available, including a powerful V6, the Amarok Ute is just as suited to hauling heavy loads as it is hitting off-road tracks. And with up to a 3.5-tonne braked towing capacity and a standard tow bar across the range you can confidently tackle any payload or task.

This is **safety**

The new Amarok comes fully armed with more than 30 assistance systems, over 20 of which are completely new on board the Amarok. Take on the road with safety systems you can count on and smart technology to back your every drive.

- Blind Spot Monitoring
- Lane Keep Assist
- Adaptive Cruise Control
- Forward Collision Warning
- Traffic Sign Recognition
- Rear Cross Traffic Alert

This is **offroad**

Choose your drive preference from six different modes: Normal, ECO, Slippery, Mud/trail, snow/sand, Trailer/cargo. Coupled with 4MOTION all-wheel-drive - there's almost no off-road situation that the Amarok can't beat. From the refined body, chassis, and dimensions to the significantly greater wading depth, everything here is trimmed for off-road capability.

This is **design**

An all-new design inside and out this spacious double cab Ute packs a statement. With a modern and digitised cockpit plus extra legroom, this level of premium comfort will enhance any adventure.

- IQ.Light LED Matrix headlights^
- 12" touchscreen infotainment
- Wireless charging
- Roof load for up to 350kg
- Premium Harman Kardon sound system*
- Keyless access

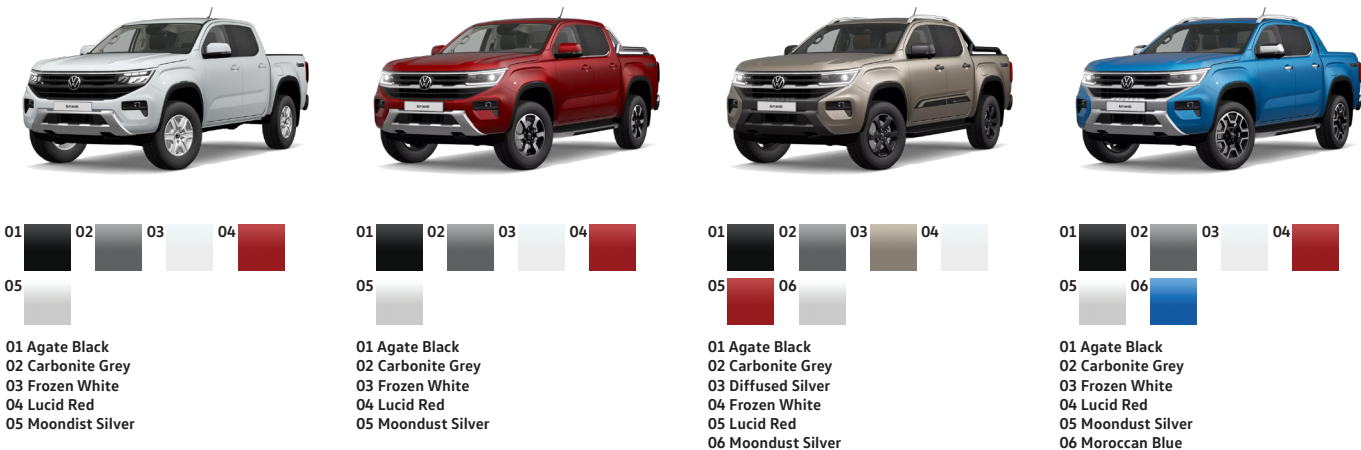

^Excludes Amarok Life
*Available on V6 models only
