# WHO ARE BAD BOY MOWERS?

*Let us introduce ourselves...*

PFG Australia have introduced a new era of lawn care excellence! Bad Boy Zero-Turn Mowers, renowned for their unrivaled performance and precision, are making their highly anticipated debut in Australia, straight from America.

As the pioneers of innovation in the world of landscaping equipment, Bad Boy Mowers have been redefining the standards of lawn maintenance across the United States, and now they're ready to revolutionise the way Australians approach lawn care.

Get ready to experience the power, speed, and quality craftsmanship that have made Bad Boy Zero-Turn Mowers a household name in America.

It's time to elevate your mowing game and witness the future of lawn care right here in Australia.

**Greg Clark**  
GENERAL MANAGER  
GROUNDS CARE DIVISION

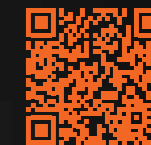

# RESIDENTIAL

BUILT FOR THE HOMEOWNER, TOUGH ENOUGH FOR A PRO

The MZ Rambler is here to redefine the industry by further distinguishing our top-value mower from the competition. Even our most compact zero-turn mower embodies the same exceptional craftsmanship that has defined every Bad Boy mower to date.

You'll enjoy your time so much that you'll hardly notice how quickly you can return to accomplishing all your other daily tasks.

**STANDARD FEATURES**

- Dual hydro gear ZT 2200 drive systems
- 19 hp single cylinder Briggs & Stratton engine
- Heavy-gauge, all-steel, all-welded 50x50mm frame
- 7.9mm steel front forks
- Industry leading - 7-gauge/4.5mm fabricated deck with reinforced edges
- PEER, maintenance-free spindles
- Deck lift pedal with deck dial adjustment
- Seat lifts for easy maintenance and cleaning
- Electric PTO
- Comfort seat
- Cutting height of 38mm to 114mm
- **Rear Tyres:** 18x8.5-8 Turf
- **Front Tyres:** 11x4-5
- Fuel 18.92L
- Mower speed up to 9.66km/h

**PRIORITISES BOTH COMFORT AND CONTROL**

The cushioned seat adjusts front to back and the steering is tighter and smoother with our steering dampening system for better response and maneuverability. The adjustable, left or right side deck lift pedal allows you to easily dial in a deck height for a perfect cut time and time again.

The large capacity fuel tanks also allow for plenty of deep storage and a cup holder. There's easy access to all pulleys and drive belts with the flip-up floorboard — with rubber mat — being a first for its class.

# MZ MAGNUM

DOESN'T COMPROMISE ON QUALITY, POWER, OR PERFORMANCE

Many mowers in this price category are typically constructed from thin steel sheets and assembled with bolts. However, our MZ Series mowers are constructed side by side, adhering to the same rigorous manufacturing standards as our commercial-grade mowers. Therefore, if you're considering transitioning to the efficiency of zero-turn mowing, you won't have to compromise on build quality, power, or performance.

It's the ride that makes work feel like too much fun, and it's your machine to help you reclaim your time.

## STANDARD FEATURES

- Dual ZT-2200 EZT Integrated Drive Systems
- Heavy-Gauge, All-Steel, All-Welded Frame
- 9.5mm Steel Front Forks

## BUILT STRONG WITHOUT SACRIFICES

Built on a strong 50x50mm all steel rail frame for its backbone. We add 9.5mm steel front forks — a Bad Boy construction hallmark — and a solid steel, all-welded deck. Formed from tough 7-gauge/4.5mm steel with reinforced edges, the unique baffling system maximises airflow for greater grass lift and a cleaner cut.

And it all rides on a lower centre of gravity for better traction. Accessibility and being simple to clean and maintain comes standard. In fact, we simply make owning a Bad Boy as easy as driving one — without sacrificing a single ounce of performance or cut quality.

# ZT ELITE

THE INDUSTRY STANDARD FOR ZERO-TURN MOWERS

Bad Boy's ZT Elite zero-turn mower has gained widespread acclaim for delivering exceptional value in terms of performance and affordability for homeowners. Our commitment to continuous improvement ensures it keeps getting better, stronger, and more comfortable.

In the United States, it has been the top-selling model from Bad Boy since its debut. Now, Australians have the opportunity to experience it for themselves. The ZT Elite offers residential homeowners an outstanding ride and even more impressive value.

## STANDARD FEATURES

- Dual Hydro-Gear 3100 Series Integrated Drive Systems
- Patented Independent Front Suspension
- Heavy-Gauge, All-Steel, All-Welded Frame
- 9.5mm Steel Front Forks
- 7-Gauge/4.5mm All Steel, Formed and Welded Deck with Reinforced Edges

# ZT ELITE L.E.

THE LAUNCH EDITION - ONLY 50 BUILT

Bad Boy and PFG Australia have collaborated to commemorate 20 years of mower production and the introduction of the renowned brand in Australia. Together, they have created a special edition mower based on one of their most popular models, the ZT Elite L.E. (Launch Edition).

This unique variant offers several enhancements compared to the standard version, including a sleek blackout paint scheme, a high-performance Kohler engine, a 50mm hitch receiver, Reaper tyres, custom hand grips, and a seat with an isolation kit. Each unit is individually numbered with a unique build plate, and only 50 mowers will be available throughout Australia.

To seize this once-in-a-lifetime opportunity, make sure to secure one from your local Bad Boy Mowers dealership.

## TAKE THE ELITE NEXT LEVEL

Designed and priced specifically for homeowners with large residential properties, the ZT Elite L.E. is built to meet their demanding needs. Its sturdy backbone consists of a robust 50x50mm all steel rail frame. The front forks, made of 9.5mm steel, are a signature of Bad Boy's durable construction.

The deck is crafted from solid steel and welded together for added strength. Constructed from tough 7-gauge/4.5mm steel with reinforced edges, the unique baffling system enhances airflow, resulting in improved grass lift and a more precise cut. Additionally, the mower's lower center of gravity ensures better traction while in operation.

# MAVERICK

CUTS LIKE A CHAMP, CONTROLS LIKE A PRO

We've introduced a mower that stands in a league of its own – a genuine Maverick in the industry. It's the first commercial-grade mower with an Integrated Drive System, boasting our patented EZ-Ride® System. What's more, we're introducing it to the Australian market at a price that will challenge the competition.

With independent front and rear suspension, it effortlessly glides over uneven terrain, putting you in command of a genuine Maverick experience from the cockpit.

## STANDARD FEATURES

## COMMERCIAL GRADE FOR THE HOMEOWNER

Built and outfitted commercial-grade tough, but priced perfect for the demanding landowner, the Maverick features strong 50x50mm all steel rail frame for its backbone.

The 12.7mm steel front forks are a Bad Boy construction hallmark, as is the solid steel, all-welded and formed deck. Formed from tough 7-gauge/4.5mm steel with reinforced edges, we've improved the baffling system to maximise greater grass lift for a cleaner cut.

# MAVERICK HD

WE'VE KICKED THE MAVERICK UP A NOTCH

We've transformed the Maverick into an entry-level professional powerhouse! Our Maverick HD Commercial zero-turn mower now features larger Hydro-Gear® drives, Kohler EFI engine, and a premium suspension seat, ensuring top-tier performance day in and day out.

The Maverick HD boasts a dual high-performance Hydro-Gear® 3400 Integrated Drive System, guaranteeing consistent, self-contained power and performance. Additionally, our patented independent suspended cast front I-Beam rails provide unparalleled strength and durability in the industry, supporting 9.5mm Steel Front Forks.

## STANDARD FEATURES

- Dual Hydro-Gear 3400 Series Commercial-Grade Integrated Drive Systems
- Patented EZ-Ride® System
- Patented Independent Front Suspension
- I-Beam Front Rails
- 7-Gauge/4.5mm All Steel, Formed and Welded Deck with Reinforced Edges
- Heavy-Gauge, All-Steel, All-Welded Frame
- Industry-Leading 9.5mm Steel Front Forks
- PEER, Maintenance-Free Spindles Deck
- Lift Pedal with Deck Dial Adjustment
- Seat Lifts for Easy Maintenance and Cleaning
- Premium Adjustable Suspension Seat
- No-Flat Front Tyres Front
- Adjustable Steering Arms
- Electric PTO
- Striping Kit
- Cutting height of 38mm to 114mm
- Fuel 24.60L
- Mower speed up to 14.48km/h

## STRENGTH TO GO ANYWHERE YOU NEED

Heavy-gauge, all-steel, all-welded and fabricated 50x50mm frame rail provides the backbone for the commercial duty Maverick HD. Patented Dual Deck Support Isolators helps minimise damage from side impacts.

The solid steel, 4.5mm formed and welded deck with reinforced 9.5mm sides features an improved baffling system that provides greater grass lifting power for an even cleaner cut. And all of this is packed on a lower profile frame that improves stability on inclines and uneven turf.

- Fuel 49.21L
- Mower speed up to 20.92km/h

**WARRANTY**  
2 YR | UNLIMITED HR

## INNOVATION FRONT AND CENTRE

Adjusts in more ways for complete operator control and comfort. The Adjustable Footrest — a Bad Boy innovation — and with front to back seat movement, adjusts for the perfect sitting posture.

Even the steering arms are adjustable and tension controllable. Our unique Deck Lift Pedal can be changed to either side and locked in place with a quick twist of our Deck Lift Dial. Suspension Seat is fully adjustable to operator weight and height with variable rate suspension, lumbar support and back adjustments from 5° to 15°.
