

62 - 95 HP

DEUTZ-FAHR 4E SERIES

ROPS

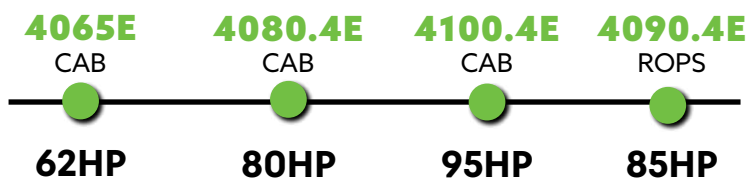

CABIN

ROPS & CAB

Known for exceptional cab comfort, with car-like tech and features, the 4E Cabin Series offers three models ranging in output from 62 hp to 95 hp. Highly manoeuvrable and offered with STOLL loader options, standard features include engine speed programming, synchro shuttle with splitter, 4 wheel wet disc brakes and high capacity hydraulics.

Or choose the efficient 85 hp 4E ROPS, ideal for raking, slashing, feeding out and day-to-day farming tasks. With an ISO mounted platform, intuitive controls, clever ergonomics and remarkable visibility, the 4E ROPS carries many of the same features of a cabin tractor. All 4E series tractors are equipped with a forward / reverse shuttle synchronised transmission; a must when doing loader work.
