What makes a Toyota Certified Pre-Owned vehicle different?

Not every used Toyota can be a Toyota Certified Pre-Owned Vehicle. A Toyota Certified Pre-Owned Vehicle will undergo an extensive quality inspection, including mechanical, detailing and appearance standards. The vehicles that pass this phase will then be certified by a Toyota Technician. Naturally, these specialists know Toyota cars inside out so when they give a vehicle the thumbs-up, it means it's been through an extensive testing process. It also means we have enough faith in the vehicle to offer some very special extras.

Peace of mind

From 1st January 2022, all Toyota Certified Pre-Owned Vehicles are covered by an additional 1-year Toyota-backed warranty.# This means we'll keep you mobile if a defect covered by the Toyota Certified Pre-Owned Warranty causes your vehicle to be undriveable. This includes towing to the nearest Toyota Dealership and a loan vehicle.

The additional 1-year Toyota-backed warranty# exists in addition to any rights available under the Australian Consumer Law.

We leave nothing to chance

All Toyota Certified Pre-Owned Vehicles come with a full service history. This helps to ensure the vehicle has been maintained to factory specification. A Toyota Certified Pre-Owned Vehicle will also come with an independent background check. This check includes:

- A check for financial encumbrances
- A written-off vehicle check
- A stolen vehicle check
- A flood and storm damage check

At your side 24/7

No matter how good your Toyota Certified Pre-Owned Vehicle is, things can still go wrong from time to time. You could get a flat tyre, your battery runs flat or you lock your keys in the car. So if you buy a Toyota Certified Pre-Owned Vehicle we'll give you one year's worth of Toyota Roadside Assist'. It's available 24/7 for 365 days a year and all it takes is a phone call.

Your Roadside Assist works like this:

- Coverage begins from the date of Toyota Certified Pre-Owned Vehicle delivery
- It covers services such as flat tyres, lockout service, jump starts, towing and petrol delivery
- It provides towing to the nearest Toyota Dealership

More peace of mind, more ways to save

If you buy a Toyota Certified Pre-Owned Vehicle with remaining scheduled logbook services, you'll also enjoy the advantages of Toyota Service Advantage.[‡] That means you'll pay the same low price from one logbook service to the next, depending on the amount of eligible scheduled logbook services remaining.

It provides eligible Toyota Service Advantage Pre-Owned Vehicle owners peace of mind from unexpected service costs and is just one of the benefits of purchasing an eligible Toyota Service Advantage Pre-Owned Vehicle.

Your Toyota Service Advantage works like this:

- A capped price applies for logbook services for a set number of years or kms from the date of first purchase[‡]
- It covers the remaining eligible scheduled logbook services, including all items covered in your service schedule such as labour, fluids, and Toyota Genuine Parts which have a warranty for 2 years from installation, or the remainder of the vehicle's Toyota Warranty Advantage or TCPO Warranty period (whichever is greater)^{(†)(15)}
- It ensures that only Toyota-trained Technicians work on your car using specialist Toyota diagnostic equipment
